Additional comments:

I appreciate the opportunity to serve all of the citizens of Harrisonburg with my appointment to this important committee. Ensuring the economic vitality and the benefits it brings to our citizens is my first priority. I believe living in Harrisonburg for 36 years, having been the President of a local poultry company, 30 years in banking and financial services and the owner with two partners of a business in Harrisonburg allows me to have a good foundation to evaluate our opportunities. I thank you for your consideration to allow me to continue to serve.
