

## 2021 EMU Walking Ceremonies COVID Safety Guidelines:

All graduates and guests must register to attend the Walking Ceremonies, providing name and email address.

Masks/facial coverings must be worn at all times by everyone in attendance.

Graduates will be seated 6 ft apart from each other.

Parties of 4 persons will be seated together with 10 ft between parties.

Musicians will be seated 10 ft from other persons.

Visible markers will mark the queue line for graduates awaiting their turn to walk across the stage.

Administrators, faculty and graduates will recess first from each ceremony. After these persons have recessed and are no longer on the Turf Field, guests will be dismissed in a safe and orderly fashion to return to their vehicles for departure.

All chairs will be disinfected after each ceremony.

Signage at the events will indicate the following:

- No one can enter who has a fever or COVID symptoms, received a positive diagnostic COVID test in the prior 10 days, or has known exposure to a COVID case in the prior 14 days.
- All attendees must wear masks.

Guests will be directed to park in identified parking areas that are separate from where the graduates will be gathering to process and where graduates will be recessing to.
