Why do you wish to serve on a board or commission?

I wish to serve on a Board/Commission to use my knowledge and experience to contribute to the success of my community.

What relevant experience or education do you have to this board or commission?

The post requested a person who is a parent, city resident, and someone who has experience with agencies which serve children. My children are 7 & 4, I am a Harrisonburg resident, and I am an early childhood educator. My most recent position was as Childcare Coordinator at Generations Crossing. Prior to that, I worked as a Quality & Improvement Coach with Virginia Quality (statewide early childhood grant) through the Community Health department of Sentara RMH. When I lived in Pittsburgh, I worked as an Infant & Toddler teacher/Lead teacher for 5 years. I hold a Master's degree in Secondary Ed from the University of Pittsburgh, and also have 4 years of experience teaching high school.

What other interests or concerns do you have regarding the community?

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere: I have attended and spoken at City Council meetings, and have been interested in an opportunity to become more involved.

-Please return completed application to the City Manager's Office

Applicants are encouraged to attach a resume or other supporting information that may be helpful to Council in considering their application.
