RE: Supplemental Appropriation for CARES Act Funds

Summary: Consider a supplemental appropriation in the amount of \$4,625,442 for funds received through the Coronavirus Relief Fund.

Background: On June 1, 2020, the city received from the State of Virginia its first one-half allocation of the Federal CARES Act Coronavirus Relief Funds (CRF).

Key Issues: Due to the current COVID-19 pandemic, Congress made available to states and localities funding to be used for costs related to responding to the pandemic. The city was allocated CRF funding in the amount of \$4,625,442 by the State of Virginia. As with most Federal funding, the city is limited to what it can expend the funds on for which guidance was provided by the U.S. Treasury. These funds, based on guidance provided, may only be expended on costs incurred responding to or mitigating the impact of the pandemic.

This supplemental appropriation represents an increase of over 1% of the total city budget. Code of Virginia Section 15.2-2507 requires a public hearing for budget amendments that exceed 1% of the budget.

Environmental Impact: None.

Fiscal Impact: The General Fund budget will increase \$4,625,442.

Prior Actions: None.

Alternatives: Do not approve the supplemental appropriation.

Community Engagement: A public hearing notice was advertised in the Daily News-Record on August 5, 2020.

Recommendation: Staff recommends approval of the supplemental appropriation.

Attachments: Supplemental Appropriation and Public Hearing Notice.

Review:

The initiating Department Director will place in Legistar, in sequence of transmittal, the names of each department that must initial their review in order for this item to be placed on the City Council agenda. The completion of review only addresses the readiness of the issue for Council consideration. This does not address the recommendation for approval or denial of the issue.
