I am emailing you in support of the new Gymnastics gym that is set to open on 60 Carpenter Lane and be run by Britt and Katrina Cleveland.

I am the Athletic Director at Spotswood High School and we have a gymnastics team, but we do not have a reliable place to practice. We have been practicing with Harrisonburg High School the last two years, but the times are inconvenient and I believe it is hurting our participation numbers. If we could find a more reliable practice space, have an opportunity for our girls to get professional training, I can really see gymnastics taking off in this area.

As a father of four children who have all participated in gymnastics at some point, I believe a big gym like this that can accommodate a lot of kids would be put to great use in our area.

Thank you for your time and consideration.

Respectfully,
Tim Leach

Subject: Gymastics Gym

Ms. Banks,

I'm writing on behalf of Katie Cleveland in support of her pursuing a special use permit for a gymnastics facility in Harrisonburg

I work at Turner Ashby High School as the Athletic Director. We offer a gymnastics program, and it has become increasingly difficult to provide an adequate and safe facility for practices. I know we would have a high level of interest in renting/using the facility for our program.

I also feel we have good interest at the youth level that will potentially make use of this as well.

Thank you for your consideration. Please feel free to contact me if you would like to follow up.
