RE: Resolution for VDOT Revenue Sharing Grant – Grace Street Extension Project and Garbers Church Road Shared Use Path Project

**Summary:** The Public Works Department is requesting City Council to consider adopting a Resolution for the Grace Street Extension Project and Garbers Church Road Shared Use Path Project, which will both be funded through the VDOT Revenue Sharing Grant Program.

**Background:** VDOT Revenue Sharing is a grant program that allows Localities to request VDOT to contribute 50% of project development costs for transportation related capital projects. The Grace Street Extension project is in partnership with James Madison University, and JMU will be providing the required 50% matching funds for this project. The Garbers Church Road Shared Use Path project is a current Revenue Sharing project, where additional funds are needed in order to construct the shared use path from Bluestone Elementary/Harrisonburg High Schools to the cul de sac on Wyndham Woods Drive.

**Key Issues:** None.

**Environmental Impact:** None.

**Fiscal Impact:** JMU will be providing the required matching funds for the Grace Street Extension project, and the matching funds for the Garbers Church Road project are currently in the Garbers Church Road Improvement capital project.

**Prior Actions:** None.

**Alternatives:** None.

**Community Engagement:** None.

**Recommendation:** Public Works recommends the City Council adopt this resolution.

**Attachments:** Grace Street Extension concept sketch, and Garbers Church Road concept sketch.

**Review:**

*The initiating Department Director will place in Legistar, in sequence of transmittal, the names of each department that must initial their review in order for this item to be placed on the City Council agenda. The completion of review only*

*addresses the readiness of the issue for Council consideration. This does not address the recommendation for approval or denial of the issue.*
