How did you hear about volunteering on a board or commission? Cable Website Council Meeting  
Other: June Hosaflork, friend

Why do you wish to serve on a board or commission? I grew up in Rockingham Co. + have seen the changes to Harrisonburg over the years. I lived abroad in a large city for 5 years + after moving back to Harrisonburg a few things came to a head: 1) my joy in seeing the positive changes 2) my ideas of what other changes I'd like to see 3) my desire since 8th grade civics class to be an involved citizen + a voice in making my city a wonderful place to live + visit!

What relevant experience or education do you have to this board or commission?

- My familiarity w Harrisonburg + perspective on city planning since living abroad.
- Understanding of administrative process.
- Experience in marketing + communications, understanding the wants + desires of the community + figuring out how to deliver.
- My desire + ability to learn more about this commission + its functions.

What other interests or concerns do you have regarding the community?

In reading the comprehensive plan for Harrisonburg I'm excited about the goals yet apprehensive about how they will be carried out. I would enjoy opportunity to evaluate requests + consider them regarding how they can either help or hinder the comprehensive plan. I would love to be a part of a group that is equally energized by dreaming + planning how Harrisonburg can be improved + grow in good directions. I particularly have an interest in making sure affordable housing is available, that underdeveloped areas are redeveloped, + that there is infill within already developed areas. I also love history + love seeing it preserved.

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

- CASA volunteer 2019-2020
- member of Aletheia Church
- member of / volunteer with Mani del Maestro, community resource center in Genoa, Italy
- Notary Public

-Please return completed application to the City Manager's Office-

Applicants are encouraged to attach a resume or other supporting information that may be helpful to Council in considering their application.
