(a)      The Authority is duly organized under the Act and has the power to (1) enter into this Loan Agreement and the Bond Indenture, (2) assign the Series 2025[A][B] Obligation to the Bond Trustee, (3) issue the Series 2025[A][B] Bonds for the performance of the Plan of Finance and (4) carry out its other obligations in connection therewith under this Loan Agreement. The facilities to be financed and refinanced with the proceeds of the Series 2025[A][B] Bonds constitute facilities authorized to be financed under the Act and in furtherance of the purposes for which the Authority was organized.

(b)      The Authority (1) has duly authorized (i) the execution and delivery of the Bond Indenture, this Loan Agreement, the assignment of the Series 2025[A][B] Obligation, (ii) the performance of its obligations hereunder and thereunder, (iii) the issuance of the Series 2025[A][B] Bonds and (iv) the sale of the Series 2025[A][B] Bonds, and (2) simultaneously with the execution and delivery of this Loan Agreement, has duly executed and delivered the Bond Indenture and issued and sold the Series 2025[A][B] Bonds.

(c) The Authority is not in default in the payment of the principal of or interest on any of its indebtedness for borrowed money and is not in default under any instrument under or subject to which any indebtedness for borrowed money has been incurred and no event has occurred and is continuing under the provisions of any such instrument that with the lapse of time or the giving of notice, or both, would constitute an event of default thereunder.

(d) The Authority is not (1) in violation of the Act or any other existing federal or Virginia law, rule or regulation applicable to it or (2) in default under any indenture, mortgage, deed of trust, lien, lease, contract, note, order, judgment, decree or other agreement, instrument or restriction of any kind to which any of its assets are subject. The execution and delivery by the Authority of the Bond Indenture, this Loan Agreement, the Series 2025[A][B] Bonds and the assignment of the Series 2025[A][B] Obligation and the compliance with the terms and conditions thereof will not conflict with or result in the breach of or constitute a default under any of the above described documents or other restrictions.

Neither the Financing Instruments nor any payments to be received by the Authority under the Series 2025[A][B] Obligation have been pledged or mortgaged other than as provided in the Bond Indenture.

(b) The Borrower is an organization described in Section 501(c)(3) of the Code, which has received a determination letter from the Internal Revenue Service classifying it as an organization (a) described in Section 501(c)(3) of the Code which is exempt from federal income taxation under Section 501(a) of the Code (except with respect to "unrelated business taxable income" within the meaning of Section 512(a) of the Code) and (b) which is not a "private foundation" as defined in Section 509(a) of the Code. Such determination letter has not been modified, limited, revoked or suspended. The Borrower has not received any indication or notice, written or oral, from representatives of the Internal Revenue Service to the effect that its exemption under Section 501(c)(3) of the Code has been modified, limited, revoked, or superseded, or that the Internal Revenue Service is considering modifying, limiting, revoking or superseding such exemption. The Borrower is in compliance with all of the terms, conditions and limitations, if any, contained in its determination letter. There has been no change in the facts and circumstances represented to the Internal Revenue Service as a basis for receiving, and which formed the basis on which the Internal Revenue Service issued, the determination letter relating to the status of the Borrower as an organization described in Section 501(c)(3) of the Code and as an organization which is not a "private foundation" as defined in Section 509 of the Code of a nature or to a degree as would warrant any action by the Internal Revenue Service to modify, limit, revoke or supersede such determination letter as it applies to the Borrower. No administrative or judicial proceedings are pending or threatened which may, in any way, adversely affect the classification of the Borrower as an organization (a) described in Section 501(c)(3) of the Code which is exempt from federal income taxation under Section 501(a) of the Code and (b) which is not a "private foundation" as defined in Section 509 of the Code. The Borrower has not received a notice or communication of any kind from the Internal Revenue Service directly or indirectly questioning its status described in the first sentence of this subsection or the tax-exempt status of any bonds issued on its behalf, or indicating that the Borrower or any such bonds specifically are being or will be audited with respect to such status. The Borrower is an organization organized and operated exclusively for charitable purposes and not for pecuniary profit, within the meaning of the Securities Act of 1933, as amended, and no part of the net earnings of the Borrower inures to the benefit of any person, private stockholder or individual, within the meaning of Section 3(a)(4) of the Securities Act of 1933, as amended.

(c) The Borrower is not in default in the payment of the principal of or interest on any of its indebtedness for borrowed money and is not in default under any instrument under and subject to which any indebtedness has been incurred, and no event has occurred and is

continuing under the provisions of any such agreement that with the lapse of time or the giving of notice, or both, would constitute an event of default thereunder.

(d) There is no litigation at law or in equity or any proceeding before any governmental agency involving the Borrower pending or, to the knowledge of the Borrower, threatened in which any liability of the Borrower is not adequately covered by insurance or for which adequate reserves are not provided or for which any judgment or order would have a material adverse effect upon the business or assets of the Borrower or affect its existence or authority to do business, the operation of the Facilities, the Plan of Finance, the validity of the Financing Instruments or the performance of the Borrower's obligations thereunder.

(e) The execution and delivery of the Financing Instruments, the performance by the Borrower of its obligations thereunder and the consummation of the transactions therein contemplated do not and will not conflict with, or constitute a breach or result in a violation of, articles of incorporation or bylaws of the Borrower, any agreement or other instrument to which the Borrower is a party or by which it is bound or any constitutional or statutory provision or order, rule, regulation, decree or ordinance of any court, government or governmental authority having jurisdiction over the Borrower or its property.

(f) The Borrower has obtained all consents, approvals, authorizations and orders of any governmental or regulatory authority ("Consents") that are required to be obtained by the Borrower as a condition precedent to the issuance of the Series 2025[A][B] Bonds and the execution and delivery of the Financing Instruments. The Borrower has obtained all Consents obtainable to date for the performance by the Borrower of its obligations hereunder and thereunder, or required as of the date hereof for its operation as an institution of higher education in the Commonwealth. The Borrower will obtain when needed all other Consents required for the performance of its obligations under the Financing Instruments, and for its operation of the Facilities and has no reason to believe that all such Consents cannot be promptly obtained when needed.

(g) The Borrower represents and warrants that all the Property of the Obligated Group complies with all federal, state and local laws and regulations, including but not limited to environmental laws and regulations.

## **ARTICLE III**

### **FINANCING OF THE PLAN OF FINANCE**

**Section 3.1      Loan by the Authority.** Upon the terms and conditions of this Loan Agreement and the Bond Indenture, the Authority shall lend to the Borrower the proceeds of the sale of the Series 2025[A][B] Bonds. The Loan shall be made by depositing proceeds of such sale in accordance with Section 206 of the Bond Indenture. The Loan shall be disbursed to the Borrower as provided in Article V of the Bond Indenture.

**Section 3.2      Agreement To Undertake the Plan of Finance.** The Borrower shall use the proceeds of the Loan to undertake the Plan of Finance.

**Section 3.3      Repayment of Loan.** Prior to or simultaneously with the issuance of the Series 2025[A][B] Bonds, to evidence its obligations to repay the Loan, the Borrower shall deliver the Series 2025[A][B] Obligation and an original counterpart of this Loan Agreement to the Authority for assignment to the Bond Trustee as security for the payment of the Series 2025[A][B] Bonds.

**Section 3.4      Borrower To Provide Funds to Complete the Plan of Finance.** If the proceeds derived from the Loan are not sufficient to pay in full the costs of the Plan of Finance, the Borrower shall pay such moneys as are necessary to provide for payment in full of such costs of the Plan of Finance, provided that, if all proceeds of the Series 2025[A][B] Bonds available therefor have been spent on the Plan of Finance, the Borrower shall not be obligated hereunder to undertake additional costs if (a) such expenditures are not related to a portion of the Plan of Finance expected to have a material effect on the revenues of the Borrower or (b) such expenditures are not required to comply with the covenants of Section 5.5. The Borrower shall not be entitled to any reimbursement therefor from the Authority or the Bond Trustee nor shall it be entitled to any abatement, diminution or postponement of its payments hereunder or under the Series 2025[A][B] Obligation. Notwithstanding the foregoing, subject to its obligations under Section 5.6, the Borrower may alter the New Money Project or suspend the acquisition, construction, renovation or equipping of any part of the New Money Project.

**Section 3.5      Limitation of Authority's Liability.** Notwithstanding anything herein to the contrary, any obligation the Authority may incur hereunder in connection with the financing of the Plan of Finance shall not be deemed to constitute a general obligation of the Authority but shall be payable solely from the revenues and receipts derived by it from or in connection with this Loan Agreement, including payments received under the Series 2025[A][B] Obligation.

**Section 3.6      Recordation and Filing.** The Borrower shall cause the Deed of Trust and all subsequent amendments and modifications to the Deed of Trust and financing and continuation statements with respect to the security interests granted under the Deed of Trust to be recorded and in effect, all as provided in the Deed of Trust. The Bond Trustee shall have no obligation in connection therewith.

**Section 3.7      Mortgagee Title Policy.** At the issuance of the Series 2025[A][B] Obligation, the Borrower shall deliver to the Master Trustee a mortgagee title insurance policy as required by the Master Indenture.

## **ARTICLE IV**

### **PAYMENTS ON SERIES 2025[A][B] OBLIGATION**

**Section 4.1      Amounts Payable.** (a) The Borrower shall make all payments required by the Series 2025[A][B] Obligation, the Bond Indenture and the Master Indenture as and when they become due and shall promptly pay all other amounts necessary to enable the Bond Trustee to make the transfers required by Article VI of the Bond Indenture and all other payments required of the Authority under the Bond Indenture. On or before the 10<sup>th</sup> day of each month, the Borrower shall transfer to the Bond Trustee, for use under Section 602 of the Bond Indenture, the amount necessary to permit the Bond Trustee to deposit in all funds held by the Bond Trustee the full

amounts required by Section 602. The Borrower immediately shall pay to the Bond Trustee any amounts necessary (i) under the Bond Indenture to provide for payment of principal and interest on the Series 2025[A][B] Bonds when due at maturity or subject to mandatory sinking fund redemption and (ii) under the Master Indenture to provide the full amount of Debt Service Reserve Fund Requirement in the Reserve Fund if such fund does not contain the full amount of the Debt Service Reserve Fund Requirement.

(b) (1) The Borrower shall pay to the Authority (i) the out-of-pocket expenses, administrative expenses and counsel fees of the Authority, and (ii) the fees of the Authority consisting of an application fee of \$\_\_\_\_\_ which was paid before the date the Series 2025[A][B] Bonds were issued, and (iii) at the end of each calendar year for the life of the Series 2025[A][B] Bonds, an annual administrative fee equal to 1/8 of 1% of the outstanding principal amount of the Series 2025[A][B] Bonds as of the end of each calendar year, not to exceed \$7,500 each calendar year. The obligations of the Borrower under this subsection shall continue until the payment in full of the Series 2025[A][B] Bonds.

(2) The Borrower shall pay, when due and payable, or cause to be paid, an amount equal to (a) the fees and charges of the Bond Trustee incurred in connection with the rendering of its ordinary and extraordinary services as Bond Trustee under the Bond Indenture, including the reasonable fees and expenses of its counsel, (b) the fees and expenses of the rating agencies, if any, for issuing and maintaining their securities rating on the Series 2025[A][B] Bonds, and (c) the out-of-pocket expenses, administrative expenses and counsel fees of the Authority. The Borrower may, without constituting grounds for an Event of Default hereunder, withhold payment of no more than 50% of any fees and charges of the Bond Trustee for extraordinary services, to contest in good faith the necessity for such extraordinary services of the Bond Trustee and the reasonableness of the related extraordinary expenses of the Bond Trustee provided that if such contested expense has not been resolved within 30 days of the date of invoice, then the Borrower and the Bond Trustee shall select a disinterested nationally recognized bond attorney practicing in the Commonwealth to determine if the extraordinary services were necessary and the related expenses were reasonable, and if not, then what should be paid to the Bond Trustee. If the Borrower should fail to make any of the payments required in this Section, the item or installment which the Borrower has failed to make shall continue as an obligation of the Borrower until the same shall have been fully paid, with interest thereon as provided in Section 4.3 (provided that any amounts in this Section required to be paid by the Borrower shall not equal or exceed an amount that would cause the "yield" on the Series 2025[A][B] Obligation or any other "acquired purpose obligation" to be "materially higher" than the "yield" on the Series 2025[A][B] Bonds, as such terms are defined under Section 148 of the Code).

(3) Amounts described in Section 4.7.

(4) All other amounts that the Borrower agrees to pay under the terms of this Loan Agreement.

**Section 4.2      Payments Assigned.** The Borrower consents to the assignment made by the Bond Indenture of the Series 2025[A][B] Obligation and of certain rights of the Authority under this Loan Agreement to the Bond Trustee. The Borrower shall pay to the Bond Trustee all amounts payable by the Borrower under the Series 2025[A][B] Obligation and this Loan Agreement, except for payments made to the Authority under Sections 4.1(b)(2) and 5.6.

**Section 4.3      Default in Payments.** If the Borrower fails to make any payments required by the Series 2025[A][B] Obligation or this Loan Agreement when due, the Borrower shall pay to the Bond Trustee interest thereon until paid at the rate equal to the highest rate on any Series 2025[A][B] Bonds then Outstanding or, in case of the payment of any amounts not to be used to pay principal of or interest on the Series 2025[A][B] Bonds at the rate equal to the Prime Rate plus one percent per year.

**Section 4.4      Obligations of Borrower Unconditional.** The obligation of the Borrower to make the payments on the Series 2025[A][B] Obligation and to observe and perform all other covenants, conditions and agreements hereunder shall be absolute and unconditional, irrespective of any rights of setoff, recoupment or counterclaim it might otherwise have against the Authority or the Bond Trustee. Subject to the prepayment of the Series 2025[A][B] Obligation as provided therein, the Borrower shall not suspend or discontinue any payment on the Series 2025[A][B] Obligation or hereunder or fail to observe and perform any of its other covenants, conditions or agreements hereunder for any cause, including without limitation, any acts or circumstances that may constitute an eviction or constructive eviction, failure of consideration, failure of title to any part or all of the Facilities or commercial frustration of purpose, or any damage to or destruction or condemnation of all or any part of the Facilities, or any change in the tax or other laws of the United States of America, Commonwealth or any political subdivision of either, or any failure of the Authority or the Bond Trustee to observe and perform any covenant, condition or agreement, whether express or implied, or any duty, liability or obligation arising out of or in connection with the Bond Indenture or this Loan Agreement. The Borrower may, after giving to the Authority and the Bond Trustee ten days' notice of its intention to do so, at its own expense and in its own name, or in the name of the Authority if procedurally required, prosecute or defend any action or proceeding or take any other action involving third persons that the Borrower reasonably deems necessary to secure or protect any of its rights hereunder. In the event the Borrower takes any such action, the Authority shall, solely at the Borrower's expense, reasonably cooperate with the Borrower and take necessary action to substitute the Borrower for the Authority in such action or proceeding if the Borrower shall reasonably request.

**Section 4.5      Advances by Authority or Bond Trustee.** If the Borrower fails to make any payment or perform any act required of it hereunder, the Authority or the Bond Trustee, without prior notice or demand on the Borrower and without waiving or releasing any obligation or default, may (but shall be under no obligation to) make such payment or perform such act. All amounts so paid by the Authority or the Bond Trustee and all costs, fees and expenses so incurred shall be payable by the Borrower on demand as an additional obligation under the Series 2025[A][B] Obligation, together with interest thereon at the Prime Rate plus one percent per year until paid.

**Section 4.6      Agreement of Authority.** At the request of the Borrower, the Authority shall (a) at any time moneys held under the Bond Indenture are sufficient to effect redemption of

any Series 2025[A][B] Bonds and if the same are then redeemable under the Bond Indenture, take all steps that may be necessary to effect redemption thereunder and (b) take any other action required by the Bond Indenture or as directed by the Borrower under the provisions of the Bond Indenture or this Loan Agreement.

**Section 4.7      Rebate Requirement.** (a) Except with respect to earnings on funds covered by the exceptions provided by Section 148(f)(4)(B) of the Code, at its sole expense on behalf of the Authority, the Borrower shall determine and pay to the United States the Rebate Amount, as provided in the Tax Agreement, as and when due in accordance with the "rebate requirement" described in Section 148(f) of the Code and Treasury Regulations thereunder, including without limitation, Treasury Regulations Section 1.148. The Borrower shall retain records of all such determinations until six years after the Series 2025[A][B] Bonds are deemed paid under Section 801 of the Bond Indenture.

(b) Neither the Authority nor, as its assignee, the Bond Trustee, shall be liable to the Borrower by way of contribution, indemnification, counterclaim, set-off or otherwise for any payment made or expense incurred by the Borrower under this section or the Bond Indenture.

## **ARTICLE V**

### **SPECIAL COVENANTS**

**Section 5.1      Compliance with Covenants, Conditions and Agreements in Master Indenture.** So long as the Series 2025[A][B] Bonds are Outstanding, the Borrower shall comply with, and with respect to the other members of the Obligated Group (as defined in the Master Indenture), covenant to cause each such member to comply with, each and every covenant, condition and agreement in the Master Indenture. Each such covenant, condition and agreement in the Master Indenture is hereby incorporated by reference and made a part of this Loan Agreement with the same effect intended as though the text of each such covenant, condition and agreement were set forth in this Loan Agreement as express covenants, conditions and agreements of the Borrower.

**Section 5.2      Examination of Books and Records.** The Bond Trustee and the Authority shall be permitted, during normal business hours and upon reasonable notice, to examine the books and records (other than confidential resident records) of the Borrower with respect to the Borrower's financial standing or its compliance with its obligations hereunder and under the Master Indenture.

**Section 5.3      Damage, Destruction, Condemnation and Loss of Title.** (a) The Borrower shall give prompt notice to the Bond Trustee and the Authority of (1) any material damage to or destruction of any part of the Facilities, (2) a taking of all or any part of the Facilities or any right therein under the exercise of the power of eminent domain, (3) any loss of any part of the Facilities because of failure of title thereto, or (4) the commencement of any proceedings or negotiations that might result in such a taking or loss. Each such notice shall describe generally the nature and extent of such damage, destruction, taking, loss, proceedings or negotiations.

(b) The Borrower shall apply any Net Proceeds consistent with the provisions of Section 3.04 of the Master Indenture. The Borrower shall simultaneously provide to the Bond Trustee the Officer's Certificates and Management Consultant reports required to be delivered to the Master Trustee under Section 7 of the Supplemental Indenture for Series 2025[A][B] Obligation.

The Borrower shall not by reason of the payment of the cost of replacement, repair, rebuilding or restoration be entitled to any reimbursement from the Authority or the Bond Trustee or to any abatement or diminution of the amount payable under the Series 2025[A][B] Obligation. All real and personal property acquired with Net Proceeds derived from Mortgaged Property shall be free and clear of all liens and encumbrances of any kind except Permitted Liens and become part of the Mortgaged Property and the Borrower shall take all steps necessary to subject such property to the lien and security interest of the Deed of Trust and to obtain an amendment to the mortgagee title policy required by the Master Indenture to insure title to all such real property acquired. Prepayments of the Series 2025[A][B] Obligation shall be used to redeem Bonds under Section 301 of the Bond Indenture.

**Section 5.4      Indemnification.** (a) The Borrower shall (i) protect, indemnify and save harmless the Authority, the Bond Trustee and their respective officers, directors, employees and agents, and their respective counsel (collectively, the "Indemnitees") from and against all liabilities, obligations, claims, damages, penalties, causes of action, costs and expenses (hereinafter referred to as "Damages"), including without limitation (1) all amounts paid in settlement of any litigation, arbitration, mediation or other proceeding commenced or threatened against the Indemnitees, if such settlement is effected with the written consent of the Borrower, (2) all expenses reasonably incurred in the investigation of, preparation for or defense of any litigation, proceeding or investigation of any nature whatsoever, commenced or threatened against the Borrower, the Facilities or the Indemnitees, (3) any judgments, penalties, fines, damages, assessments, indemnities or contributions, and (4) the reasonable fees of attorneys, auditors, and consultants, provided that the Damages arise out of:

(1) failure by the Borrower or its officers, employees or agents, to comply with the terms of the Financing Instruments, and any agreements, covenants, obligations, or prohibitions set forth therein;

(2) any action, suit, claim or demand contesting or affecting the title of the Facilities;

(3) any breach of any representation or warranty set forth in the Financing Instruments or any certificate delivered pursuant thereto, and any claim that any representation or warranty of the Borrower contains or contained any untrue or misleading statement of fact or omits or omitted to state any material facts necessary to make the statements made therein not misleading in light of the circumstances under which they were made;

(4) any action, suit, claim, proceeding or investigation of a judicial, legislative, administrative or regulatory nature arising from or in connection with the construction, acquisition, ownership, operation, occupation or use of the Facilities;

(5) any suit, action, administrative proceeding, enforcement action, or governmental or private action of any kind whatsoever commenced against the Borrower, the Facilities, or the Indemnitees that might adversely affect the validity, enforceability or tax-exempt status of the Series 2025[A][B] Bonds, the validity or enforceability of the Financing Instruments, or the performance by the Borrower or any Indemnitee of any of their respective obligations thereunder; or

(6) the acceptance or administration of this Loan Agreement, the Bond Indenture, the Master Indenture or any related documents to which the Bond Trustee or the Authority are a party either originally or as an assignee;

provided that such indemnity shall be effective only to the extent of any loss that may be sustained by the Indemnitees in excess of the proceeds net of any expenses of collection, received by them or from any insurance carried with respect to such loss and provided further that the benefits of this section shall not inure to any person other than the Indemnitees.

(b) If any action, suit or proceeding is brought against the Indemnitees for any loss or damage for which the Borrower is required to provide indemnification under this section, the Borrower, upon request, shall at its expense resist and defend such action, suit or proceeding, or cause the same to be resisted and defended by counsel designated by the Borrower and approved by the Indemnitees, which approval shall not be unreasonably withheld, provided that such approval shall not be required in the case of defense by counsel designated by any insurance Borrower undertaking such defense under any applicable policy of insurance. The obligations of the Borrower under this section shall survive any termination of this Loan Agreement, including prepayment of the Series 2025[A][B] Obligation and the resignation or removal of the Bond Trustee.

(c) Nothing contained herein shall require the Borrower to indemnify the Authority for any claim or liability resulting from the Authority's willful wrongful acts or the Bond Trustee for any claim or liability resulting from its negligence, gross negligence or willful misconduct.

(d) All references in this section to the Authority and the Bond Trustee, including references to Indemnitees, shall include their directors, commissioners, officers, employees and agents.

**Section 5.5 Maintenance of 501(c)(3) Status; Prohibited Activities.** The Borrower shall file all required reports and documents with the Internal Revenue Service so as to maintain its status as an organization described in Section 501(c)(3) of the Code, and the Borrower shall not operate the Facilities, in any manner and shall not engage in any activities or take any action that might reasonably be expected to result in the Borrower ceasing to be a "501(c)(3) organization" within the meaning of Section 145 of the Code. The Borrower shall promptly notify the Bond Trustee and the Authority of any loss of the Borrower's status as a "501(c)(3) organization" or of any investigation, proceeding or ruling that might result in such loss of status.

**Section 5.6 Tax Covenants; Compliance with Indenture.** The Borrower agrees that it will not directly or indirectly use or permit the use of any of the proceeds of the Series

2025[A][B] Bonds or any other of its funds, or direct the Bond Trustee to invest any funds held by the Bond Trustee under the Bond Indenture or this Agreement, in such manner as would, or enter into, or allow any other Person to enter into, any arrangement, formal or informal, that would, or take or omit to take any other action that would, cause any Series 2025 Bond to be an "arbitrage bond" within the meaning of Section 148(a) of the Code. The Borrower acknowledges having read the Bond Indenture and agrees to perform all duties imposed upon it by the Bond Indenture, including, without limitation, the Borrower's obligation to deliver to the Bond Trustee a certificate to the effect that an Event of Taxability has occurred or will occur and setting forth the date of taxability, which certificate will be delivered promptly to the Bond Trustee upon the occurrence of an Event of Taxability, and by the Tax Agreement. Insofar as the Bond Indenture and the Tax Agreement impose duties and responsibilities on the Borrower, they are specifically incorporated by reference into this Agreement.

**Section 5.7      Investment and Use of Trust Funds.** An Authorized Representative of the Borrower shall provide written instructions for the investment, in accordance with Article VII of the Bond Indenture, of all funds held by the Bond Trustee under the Bond Indenture.

**Section 5.8      Operation of the Facilities.** The Borrower will operate the Facilities, or cause such Facilities to be operated, as facilities as an institution of higher education until payment of the Series 2025[A][B] Obligation in full.

## **ARTICLE VI**

### **EVENTS OF DEFAULT AND REMEDIES**

**Section 6.1      Event of Default Defined.** Each of the following events shall be an Event of Default:

(a) Failure of the Borrower to make any payment on the Series 2025[A][B] Obligation when the same becomes due and payable, whether at maturity, redemption, acceleration or otherwise under the terms thereof or this Loan Agreement.

(b) Failure of the Borrower to observe or perform any of its other covenants, conditions or agreements hereunder, including covenants applicable to other Members of the Obligated Group under Section 5.1, for a period of 90 days after notice in writing (unless the Borrower and the Bond Trustee shall agree in writing to an extension of such time prior to its expiration), specifying such failure and requesting that it be remedied, given by the Authority or the Bond Trustee to the Borrower, or in the case of any default which can be cured, but cannot with due diligence be cured within such 90 day period, failure by the Borrower to proceed promptly to prosecute the curing of the same with due diligence.

(c) An Event of Default under the Financing Instruments.

(d) The Master Trustee shall have declared the aggregate principal amount of any Obligation issued under the Master Indenture and all interest due thereon immediately due and payable in accordance with Section 4.02(a) of the Master Indenture.

**Section 6.2      Remedies on Default.** Whenever an Event of Default shall have happened and be continuing, the Bond Trustee as the assignee of the Authority, but subject to the provisions of the Bond Indenture, or the Authority (in the case of the Authority's Unassigned Rights) may:

(a)      Declare all amounts due under this Loan Agreement and the Series 2025[A][B] Obligation to be immediately due and payable, whereupon all such payments shall become and shall be immediately due and payable; and

(b)      Take any action at law or in equity necessary or desirable to collect the amounts then due and thereafter to become due or to enforce observance or performance of any covenant, condition or agreement of the Borrower under the Series 2025[A][B] Obligation or this Loan Agreement.

Notwithstanding any other provision of this Loan Agreement or any right, power or remedy existing at law or in equity or by statute, the Bond Trustee shall not under any circumstances declare the entire unpaid aggregate amount of the Series 2025[A][B] Obligation to be immediately due and payable except in accordance with the provisions of the Master Indenture or at the direction of the Master Trustee in the event the Master Trustee shall have declared the aggregate principal amount of the Obligations issued under the Master Indenture and all interest due thereon immediately due and payable in accordance with the Master Indenture.

If the Bond Trustee exercises any of its rights or remedies under this section, it shall give notice of such exercise to the Borrower (1) in writing in the manner provided in Section 8.2 and (2) by telephone or telegram, provided that failure to give such notice by telephone or telegram shall not affect the validity of the exercise of any right or remedy under this section.

**Section 6.3      Application of Amounts Realized in Enforcement of Remedies.** Any amounts collected under action taken under Section 6.2 hereof shall be applied in accordance with the provisions of the Bond Indenture.

**Section 6.4      No Remedy Exclusive.** No remedy herein conferred on or reserved to the Authority or the Bond Trustee or the holder of the Series 2025[A][B] Obligation is intended to be exclusive of any other remedy, and every remedy shall be cumulative and in addition to every other remedy herein or now or hereafter existing at law, in equity or by statute. No delay or failure to exercise any right or power accruing upon an Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, and any such right or power may be exercised from time to time and as often as may be deemed expedient.

**Section 6.5      Attorneys' Fees and Other Expenses.** Upon an Event of Default, the Borrower shall on demand pay to the Authority and the Bond Trustee the reasonable fees and expenses of attorneys and other reasonable expenses incurred by them in the collection of payments due on the Series 2025[A][B] Obligation or the enforcement of performance of any other obligations of the Borrower.

**Section 6.6      No Additional Waiver Implied by One Waiver.** If either party or its assignee waives a default by the other party under any covenant, condition or agreement herein,

such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other default hereunder.

## ARTICLE VII

### PREPAYMENT OF SERIES 2025[A][B] OBLIGATION

**Section 7.1      Option To Prepay Series 2025[A][B] Obligation.** The Borrower shall have the option to prepay the Series 2025[A][B] Obligation in full and terminate this Agreement if one of the following has occurred:

(a) (i) title to, or the temporary use of, all or a material portion of the Facilities financed with proceeds of the Series 2025[A][B] Bonds shall have been taken under the exercise of the power of eminent domain by, or sold in lieu thereof to, any governmental authority or person, firm or corporation acting under governmental authority, which taking or sale prevents or is likely to prevent the carrying on of normal operations of the Facilities for a period of at least 12 months; or (ii) the Facilities financed with proceeds of the Series 2025[A][B] Bonds are rendered untenable or unusable in the normal operations of the University due to damage or destruction by fire, flood or other casualty, including, but not limited to, a hazard against which insurance is required to be maintained in accordance with the Master Indenture.

(b) The University shall have the option to redeem Series 2025[A][B] Bonds under subsection (a) in a principal amount up to the amount of the proceeds received from the casualty or condemnation, as applicable.

(c) To exercise any of the above option, the Borrower shall within 180 days after the event permitting their exercise file the required resolutions and opinions with the Authority and the Bond Trustee and specify a date not more than 60 days thereafter for making such prepayment. In such case the Authority shall cause the Bond Trustee to redeem the Series 2025[A][B] Bonds as provided in Section 301(a) of the Bond Indenture.

**Section 7.2      Option to Prepay Series 2025[A][B] Obligation in Whole.** The Borrower shall have the option to prepay the Series 2025[A][B] Obligation in whole, with any applicable premium, and terminate this Loan Agreement before payment of the Series 2025[A][B] Bonds so long as any such payment allocable to principal of the Series 2025[A][B] Obligation shall be used contemporaneously to discharge a like amount of Series 2025[A][B] Bonds; provided, however, that the covenants in Sections 4.7, 5.6 and 5.7 shall continue until the final maturity date of all Series 2025[A][B] Bonds or the earlier date on which provision for payment for all Series 2025[A][B] Bonds has been made and the covenant in Section 4.7 shall continue for six years thereafter. In such case the Authority shall cause the Bond Trustee to redeem the Series 2025[A][B] Bonds as provided in Section 301 of the Bond Indenture.

**Section 7.3      Option To Prepay Series 2025[A][B] Obligation in Part.** The Borrower shall have the option to prepay the Series 2025[A][B] Obligation in part, with any applicable premium, so long as any such payment allocable to principal of the Series 2025[A][B] Obligation shall be used contemporaneously to discharge a like amount of Series 2025[A][B] Bonds. The amount so prepaid shall, so long as all payments then due under the Series 2025[A][B]

Obligation have been made (a) if Series 2025[A][B] Bonds are then redeemable as provided in Section 301 of the Bond Indenture, be used to redeem the Series 2025[A][B] Bonds to the extent possible under such section, and (b) if Series 2025[A][B] Bonds are not then redeemable, be transferred to the Bond Fund.

**Section 7.4      Amount Required for Prepayment.** To prepay the Series 2025[A][B] Obligation in whole or in part under Sections 5.4, 7.1, 7.2 or 7.3, the Borrower shall pay to the Bond Trustee, for deposit in the Bond Fund of the Bond Indenture, an amount of cash and Defeasance Obligations, as defined in the Bond Indenture, that will be sufficient (1) in the case of prepayment in whole, to discharge the lien of the Bond Indenture under Section 801 thereof, and (2) in the case of prepayment in part, to cause any Series 2025[A][B] Bonds that will be paid with the prepayment to be no longer Outstanding under the Bond Indenture. If the Borrower has prepaid the Series 2025[A][B] Obligation, as provided above, the Borrower shall not direct the expenditure of any funds from such prepayment in the Bond Fund for any purpose other than the payment of principal of or premium, if any, or interest on the Series 2025[A][B] Bonds to be paid. The Borrower shall instruct the Bond Trustee to give the notice of redemption required by Section 302 of the Bond Indenture if any of the Series 2025[A][B] Bonds are to be paid other than at maturity.

**Section 7.5      Prepayment of Series Upon a Determination of Taxability.** (a) The Borrower shall prepay the Series 2025[A][B] Obligation, with the applicable premium, as provided in Section 301(b) of the Bond Indenture upon a Determination of Taxability, if the Determination of Taxability was the result of any action or failure to take action on the part of the Borrower.

(b) The Borrower shall have the option to prepay the Series 2025[A][B] Obligation, in whole or in part, as provided in Section 301(b) of the Bond Indenture upon a Determination of Taxability, if the Determination of Taxability was not the result of any action or failure to take action on the part of the Borrower.
