**Why do you wish to serve on a board or commission?**  
By serving on the Board of Appeals, it would be an excellent opportunity to serve the community in which I work. I work with the Virginia Building Codes everyday and appreciate the opportunity to use my expertise.

**What relevant experience or education do you have to this board or commission?**  
I have been a Professional Engineer since January 2001 and have owned my own business since 2004. I enjoy dealing with our Building Official and the staff of the Building Department. I am familiar with the appeals process as having gone through it in another jurisdiction.

**What other interests or concerns do you have regarding the community?**

I am a past president of the Harrisonburg Lions Club, serve on the board for Building Goodness Foundation in Charlottesville and started a local chapter here in Harrisonburg, and just became a board member at Explore More here in Harrisonburg. I enjoy being part of our great communities in which we live.

**Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:**

I have not served on any other civic roles for any localities.

**-Please return completed application to the City Manager's Office-**
