Employment/Volunteer Work: <u>Full-time graduate student at EMU.</u>	
City: <u>Harrisonburg</u>	State: <u>VA</u> Zip Code: <u>22802</u>
Interested in serving:	
1. <u>Tree Advisory Board</u>	2. <u>Parks and Recreation Commission</u>

Why do you wish to serve on a board or commission?

I am interested in serving for two main reasons. First, my wife and I recently moved to the community and I am looking to become more active in Harrisonburg. Second, I am interested in public policy and wish to pursue a future in that field. Mayor Baugh recommended to me that this would be a good place to start.

What relevant experience or education do you have?

I currently have B.S. degrees in history and geography and I am pursuing a M.A. in Conflict Transformation at Eastern Mennonite University. As geography literally means, "study of the earth," I feel I would be suited to contribute to both the Tree Advisory board and the Parks and Recreation Commission. In addition to my knowledge of geography, I am currently developing the skills at EMU to facilitate dialogue and understand conflict. These skills are applicable to any profession that includes working with people or creating public policy that affects people.

What other interests or concerns do you have regarding the community?

I am highly interested in community well-being, education, and sustainable development. In our short time in Harrisonburg, my wife and I have thoroughly enjoyed the amount of opportunities and the atmosphere downtown has provided us. I look forward to becoming more involved in the community.

Please list any previous or present involvement. Ex.: City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:
