

COUNTRY CLUB ROAD SIDEWALKS & NORTHEND GREENWAY BROOKSIDE PHASE

September 14, 2021

Transportation Alternatives Program (TAP)

VDOT Funding Program (Federal \$)

- Applications every 2 years
- In previous years, \$1 million per year per VDOT district
- Applications require at least 20% match by localities

Considerations

- Available money for local match
- Competitive project (clear purpose and need)
- Appropriate size/cost project, given funding available

Country Club Rd Sidewalk - SRTS

Country Club Rd Sidewalk - Safe Routes to School

- High need for safer connection between Spotswood Homes Trailer Park and the nearby schools
- Initial cost estimate \$500,000 (80% grant, 20% City)

Northend Greenway

Northend Greenway Brookside Phase

- Connectivity for neighborhood
- More continuous Northend Greenway
- Initial cost estimate \$453,041 (80% grant, 20% City)
