NOTICE OF PUBLIC HEARING

May 29, 2024

To Whom It May Concern:

City records indicate that you are the property owner of, or owned or operated, a known “skill game location,” or are the property owner of, or own or operate, a “tobacco, smoke, or vape shop.”

You are receiving this notice because the Harrisonburg City Council will hold a public hearing in the City Council Chambers, 409 South Main Street, Harrisonburg, VA. on **Tuesday, June 11, 2024, at 7:00 p.m.**, to consider Zoning Ordinance amendments that might impact your property and/or business.

In brief, the City is proposing Zoning Ordinance amendments that would, among other things, define “skill game location” and “tobacco, smoke, or vape shop” and prohibit the location of these uses on property within 1,000 feet of any property containing a public or private school or child day care center.

Along with other outcomes, if the amendments are approved as currently drafted, depending upon your site’s vicinity to a public or private school or child day care center, the following would occur:

- Properties that might have previously operated skill games, might not be permitted to be a skill game location.
- Properties containing existing uses considered a “tobacco, smoke, or vape shop” might become nonconforming.

Applications and other information are available for review by contacting the Department of Community Development, 409 South Main Street, Monday through Friday, 8:00 a.m. to 5:00 p.m. Please call (540) 432-7700 to obtain a copy by email or by appointment.
