RE: Peach Grove Residential TIA

Mr. Strohacker,

The Public Works Department has reviewed the Traffic Impact Analysis (TIA) for the Peach Grove Residential Development submitted January 4, 2023.

Public Works accepts the technical analysis and information within this TIA. The City understands that additional mitigations to address the planned bus pull out are needed, in order to eliminate the conflicts with the proposed turn lane and taper.

Thank you for work on this TIA,

Timothy Mason,
Transportation Systems Specialist – City of Harrisonburg
