Title

Population and School Enrollment Projections for the City of Harrisonburg--Zach Jackson, Weldon Cooper Center for Public Service

Summary

City Staff entered into a contract with the University of Virginia's Weldon Cooper Center for Public Service in August of 2024 to conduct a comprehensive study of the City's population and school enrollment trends as well as to develop projections for future growth. This presentation will communicate the findings of the team's research. This item is informational only and requires no action.
