DATE: September 8, 2017
SUBJECT: Survey of N Liberty St. 700 block

On August 23, 2017 I collected the tag numbers of 19 vehicles parked in the 700 block. Of the 19 only 4 have an address in the 700 block of N Liberty St. 78.9% of the vehicles parked in the 700 block are not residents. While checking this area I observed employees coming from the poultry plant to the vehicles and going back to the plant.
