RE: Historical Market Request

Dear Ms. Wallace:

Your request for the City of Harrisonburg's to support your plans for installation of a Virginia Department of Historic Resources highway marker in honor of Bishop Edgar Love, has been approved by City Council at its August 26 meeting. The City Public Works Department will install and maintain the sign. Please note, in the unlikely event the sign is damaged or stolen you will be responsible for replacement of the sign to be reinstalled by the City. The sign will be installed adjacent to John Wesley United Methodist Church at the intersection of Sterling and Effinger Streets.

Please coordinate your project schedule with the City Public Works Department, 540.434.5928, attention Jim Beierle, Traffic Superintendent, 320 East Mosby Road, Harrisonburg, Va. 22801 or publicworks@harrisonburgva.gov

Best of luck with your application to the Department of Historic Resources. If you need anything further from the City at this point, please let me know.

Sincerely,

Kurt D. Hodgen
City Manager
