

# Harrisonburg Police Department

Grant Proposal  
for Edward Byrne Memorial  
Justice Assistance Grant  
FY 2015

# Project Summary

- Repeating JAG grant from the #1 granting organization for Law Enforcement
- 2015 authorized amount of funding for Harrisonburg is \$13,315
- Application requirement for 30-day public review period.
- Grant information is on police website

# Project Proposal

- Two 57-inch MondoPad computers
- One mobile cart, one hard-mounted
- Apple TV and iPad for mobility and connectivity

# Benefits

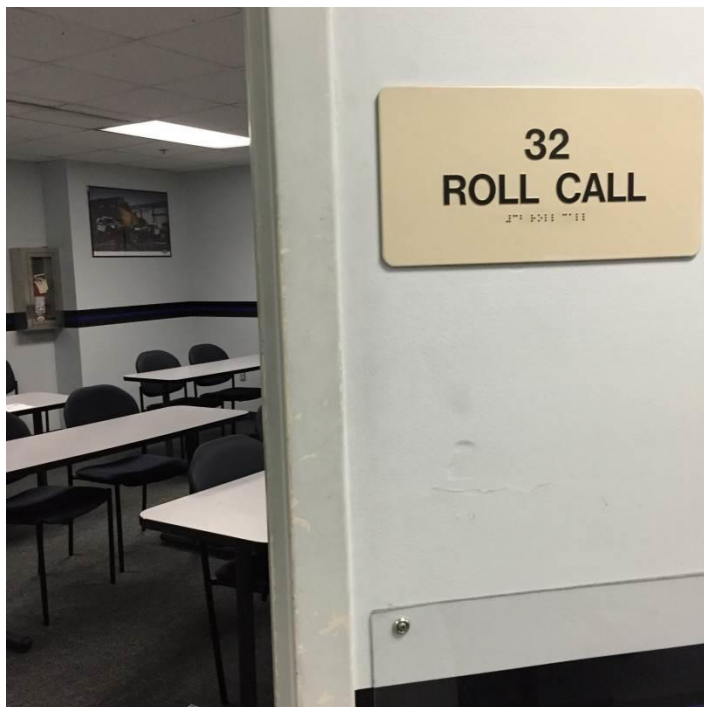

- Ability to present, annotate and collaborate with other participants in the room and off-site
- Can be controlled by and shared with other tablets, smartphones, and similar devices
- Would allow conferencing with existing EOC and HFD Mondopads

# Objectives

- To increase the ability to provide training, conferencing and Meetings without being tied down to rooms with existing equipment
- Ability to connect to a Command Center or Emergency Operations Center from anywhere in the building

# Patrol Briefing

Hard-mount to replace existing TV connected to laptop/projector.

# Objectives

- Increased ability for GeoPolicing review of maps, hotspot layers, and development of strategic plans, and to hold community meetings
- Increased ability to live-share images, operations plans, web-based programs and interactive maps

# Mobile Cart System

As seen with HFD Unit

Small Conference Room

# Project Timetable

- This should be a quick implementation, requiring only purchase of items already quoted, installation, and training.

	<b>Description</b>	<b>Start Date to Completion Date</b>
<b>Phase 1</b>	Receive Grant Award	10/1/2015
<b>Phase 2</b>	Purchase Equipment	10/1/2015-10/30/2015
<b>Phase 3</b>	Installation and training	11/1/2015-12/30/2015

# Budget

- One MondoPad will be mounted on a mobile cart and used primarily in the small conference room on the second floor.
- The second unit will be hard-mounted in the Patrol briefing room

Resource	Budget
