Interests & Experiences

Dr. John A. Scherpereel

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I have enjoyed my time serving on the TSAC and would be honored to continue. I experience the city in a range of modalities--as pedestrian, cyclist, and motorist. I feel that I have a solid sense of the city's transportation infrastructure and the place of the TSAC within the city's governance structure. I would enter a new term significantly more knowledgeable than I entered my previous term.

What other interests or concerns do you have regarding the community?

I am interested in accessibility, safety, walkability, cyclability, health, and quality of life. I see TSAC service as a small way of promoting these values and improving opportunities and quality of life for all of the city's citizens.

What relevant experience or education do you have to this board or commission?

I have served on previous term on the TSAC. I have completed Harrisonburg citizens' academy. In my professional position, I study and teach about governance and public policy.

Please list any past or present community involvement e.g. City Council, Boards and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

TSAC member, Citizen Academy graduate
