to me

To whom it may concern:

I'm writing to express my enthusiastic support for the license for Arcoiris Daycare to be run by Paloma Saucedo. My family and I are looking forward to the daycare providing much-needed bilingual childcare service (Spanish-English), which is not currently available in Harrisonburg for ages 1-4 years old. We are confident that Ms. Saucedo's background in education and her careful preparation will allow her to provide high-quality care in her home to our 3 year old, and possibly our newborn once he is older.
