

*Honorable Coucil Members,*

*With sincere regrets, A M Yoder & Co, the applicant, is unable to provide a representative at the January 13th City Council meeting to reivew and approve the code amendment application due to some previously scheduled company training in Dallas TX. We are grateful for Council's consideration and trust that the months of dilligent collaboration between A M Yoder and Community Development to arrive at this meeting will result in approval of our application.*

*All the best,*

Aaron Yoder
