Name: The People's Equality Commission

Type of Meeting: Harrisonburg City Council

Date of Meeting: Wed, 02/10/2021

Agenda Item Number: 8

Comment:

The People's Equality Commission (PECO) would like to express the support of hiring interim chief Camacho to the position of full time police chief. It is our opinion that we should save the money on searching for another police chief. Camacho knows this community, knows the department and will continue to do a great job as police chief.

Comment:

I do not think the City should spend thousands of dollars to a firm looking for a Police Chief. As the Editor of the Daily New Record said in his Editorial, money is money.

I feel that Interim Chief Camacho is doing a wonderful job. He knows about defunding a police department, which needs to be done in Harrisonburg. The money saved

could be spent on mental health providers for the persons being detained at the jail that desperately need mental health providers rather than keeping them locked up in the

City-County Jail or MRRJ. Let Interim Chief Camacho do the job as Chief. He is quite capable.
