Why do you wish to serve on a board or commission?

I want to help the City of Harrisonburg grow and flourish. It is a great place to live, work and play and I hope I am able to provide support and guidance so that this continues.

What relevant experience or education do you have to this board or commission?

I have been a banker for over 30 years in different lending and leadership positions. Additionally, I have served in leadership roles on a large number of civic and charitable boards. Since moving to Harrisonburg almost three years ago, I have joined three community boards including the Harrisonburg Police Foundation, Shenandoah Valley Economic Education and the ARC of Harrisonburg Rockingham County.

In my banking profession, I serve on the Board of Directors of the Benefits Corporation of the Virginia Bankers Association and the Virginia Association of Community Bankers. I was recently elected to be the Virginia Representative of the Independent Community Bankers Association Federal Delegate Board.

I believe I would bring fiscal knowledge, leadership and an understanding of community needs to the Harrisonburg Electric Commission Board.

What other interests or concerns do you have regarding the community?

I would like to foster economic growth and see the continued redevelopment of our Downtown area.

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:
