

Ordinance Amendment - Section 15-2-24

Fowl, Chickens and Other Domestic Birds

- Clarify which dwelling types are eligible for a chicken permit – single family detached dwellings or manufactured homes. Limited to one permit on parcels with multiple dwellings.
- Provide a definition for “pen” and “covered.”
- Clarify setback requirements do not apply to internal property lines.
- Update administrative process for inspections and permitting for CD and PD.
- Establish flexibility in how permits are displayed and made available.
- Remove section referring to nonconformities or “grandfathering.”
- Change enforcement to reduce violations from Class 3 to Class 4 misdemeanor.
