TO THE MEMBERS OF CITY COUNCIL
CITY OF HARRISONBURG, VIRGINIA

SUBJECT: Consider review of the Planning Commission's 2014 Annual Report

**EXTRACT FROM MINUTES OF HARRISONBURG PLANNING COMMISSION MEETING
HELD ON:** February 11, 2015

Chair Fitzgerald said before you are the 2014 Annual Reports. Planning Commission needs to review each; however, only the Planning Commission Annual Report will be forwarded to City Council.

Mr. Fletcher added that Commissioner Dilts suggested we use "not applicable" (or N/A) in place of a solid line, for those items within the report which do not move forward to Council.

It was a consensus among the Planning Commissioners to make that change.

Mr. Way moved to forward the 2014 Planning Commission Annual Report forward to City Council with the proposed change.

All voted in favor (6-0).

Respectfully Submitted,

Alison Banks
