Mr. Eric D. Campbell  
City Manager, City of Harrisonburg  
c/o Brian Shull, Economic Development Director  
409 South Main Street  
Harrisonburg, VA 22801

Dear Mr. Campbell,

Thank you for your participation in leading the region's economic future through the City of Harrisonburg's contribution to the Shenandoah Valley Partnership (SVP).

The City of Harrisonburg's current appointed SVP Board of Director is Mr. Brian Shull. We value Mr. Shull's experience, knowledge and insight on the Board as we continue to lead the growth and progress of economic development activity in the Shenandoah Valley.

Mr. Shull's current term on the SVP Board of Directors expires on June 30, 2019. Based on the approved stagger of terms at the July 2018 Board of Directors meeting, the SVP Board will consider a reappointment of his term for a 3-year period to expire June 30, 2022. Mr. Shull can return to the Board again, but only after a break in service.

All Directors of the Board are expected to participate in the activities of the SVP, including Connect Events, Economic Development Forums and quarterly Board of Director Meetings. We also encourage Directors of the Board to support the Investor Relations Program by connecting referrals to SVP staff and inviting prospective investors to SVP events. We value the City of Harrisonburg's representation on our Board and appreciate your appointment of a member who has the capacity to devote time and attention to these commitments. Please let us know if that representation will remain with Mr. Shull.

We request the City of Harrisonburg's response by June 30, 2019 for official reappointment at the July 17, 2019 Board of Directors Meeting. Please do not hesitate to contact me if you have any questions.

Sincerely,

Jay A. Langston, Ph.D.
