

Update: place of employment is different now. I am a Program Coordinator with Virginia Clean Cities at James Madison University. This role involves administering projects using federal and state funds; recruiting private sector project participation; and, otherwise promoting the use of cleaner fuels and vehicles in Virginia.

Boards & Commissions Application

I am interested in serving on the following boards/commissions. (Please indicate the order of preference).

1. Environmental Performance Standards Advisory C 2. Economic Development Authority

As an applicant/member of a Council-appointed Board or Commission, your name, address, and phone number will be available to the press and public. Information will be kept on file for three years. How did you hear about volunteering on a board or commission? Cable Website Council Meeting
 Other: Daily News Record

Why do you wish to serve on a board or commission?

I appreciate the positive attributes of Harrisonburg, VA and would like to take a more active role in preserving and enhancing them. Harrisonburg's natural resources, base of entrepreneurship, diversity, and high rate of growth are attractive factors for the city. I would like to bring my personal experience and educational background to the table to help serve these and other factors. I would like to help Harrisonburg continue to grow and prosper in the most responsible way to be an example for similar development in the region, the state, the country, and maybe even beyond.

What relevant experience or education do you have to this board or commission?

I have a range of experience to bring to bear for either of these groups. I have summarized my educational background and relevant job experience below:

- B.A. - Political Science, University of Alabama at Birmingham
- M.A. - Science, Technology, & Public Policy, The George Washington University

- World Bank - Research Assistant
- State of New York - Research Assistant, Graduate Assistant
- Owens Corning - Government Relations Specialist
- U.S. Department of Commerce - Specialist, Energy & Environmental Technologies
- U.S. Environmental Protection Agency - Manager, International Trade and Economics
- The Weather Company - Senior Public Private Partnerships Manager
- IBM - Energy, Environment, and Utilities Policy Leader.

What other interests or concerns do you have regarding the community?

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

I have not served on any community boards or commissions previously. I do, however, serve as volunteer Senior Strategy Advisor for Anicura - an animal welfare organization and clinic based in Harrisonburg. I have served the organization since 2010.

-Please return completed application to the City Manager's Office-

Applicants are encouraged to attach a resume or other supporting information that may be helpful to Council in considering their application.
