What experience or interest do you have that will help you on the Bicycle & Pedestrian Subcommittee?

I ride on the local roads. I used to hire engineers for large projects and know how to communicate with them and read the maps/plans. Please list any other information that may indicate your interest in an appointment by the Transportation Safety & Advisory Commission to the Bicycle & Pedestrian Subcommittee.

I am a bit pushy (motivated=passionate) when it comes to getting things done. I enjoy finding the "low hanging fruit" (easier to implement/ lower cost) .. I am comfortable utilizing publicity for certain actions. I am now retired after 24 years a teacher (I have time and can coordinate actions) .. I was a union executive. (can deal with policy makers)..
