Staff and Planning Commission (5-1) recommended approval of the request with the following conditions:

1. The site shall be the operator's primary residence and the STR shall occur within the operator's dwelling unit.
2. If the operator is not the property owner, then the operator shall be present during the lodging period.
3. All STR accommodations shall be within the principal structure.
4. There shall be no more than three STR guest rooms or accommodation spaces.
5. The number of STR guests at one time shall be limited to nine.
6. Prior to operation, the operator shall submit to City staff a completed Short-Term Rental Pre-Operation Form. Furthermore, the operator shall maintain compliance with the Pre-Operation Form when short-term rental guests are present.
7. The STR has no minimum off-street parking requirements.
8. If in the opinion of Planning Commission or City Council, the short-term rental becomes a nuisance, the special use permit can be recalled for further review, which could lead to the need for additional conditions, restrictions, or the revocation of the permit.
