## **Context & Analysis**

As an entitlement community, the City of Harrisonburg, VA receives funding through the Community Development Block Grant Program (CDBG). The purpose of the Public Hearing is to once again solicit citizen participation in the process. Citizen participation and comments on the Annual Action Plan will assist the city in the finalization of these required documents. The Consolidated Plan serves as the planning document for addressing overall community development and housing needs that will utilize the \$598,600 annual entitlement of CDBG funding available to the city to meet those needs. Projects selected to receive funding will be included in the Annual Action Plan. The first public hearing on this issue was held on January 14, 2025. Advertisements for both public hearings were placed in the DNR. CDBG staff held a training meeting on January 16, 2025 and participated in meetings with interested organizations. The City will consider comments on the proposed plan prior to consideration for adoption by Harrisonburg City Council on May 6, 2025. The City plans to submit Annual Action Plan to HUD on or before May 15, 2025.
