RE: People's Day

Summary: Consider the event application request for People's Day on January 15, 2018.

Background: This is the third year of this ceremonial walk organized by the Martin Luther King, Jr Coalition. The walk begins at Emmanuel Episcopal Church and follows MLK Way to Highway 42. It draws 200-250 participants. While this application requests a street closure, the Events Committee recommends no closures, and recommends following the protocol of previous years where participants walk on the sidewalks only and HPD provides support for rolling closures as needed and other necessary safety precautions. The organizers agreed with this recommendation.

Key Issues:

- HPW Support
- HPD Support
- Insurance Documents will be provided prior to event
