

Build Our Park

A Presentation to Harrisonburg City Council

April 24, 2018

A Reminder of Who We Are

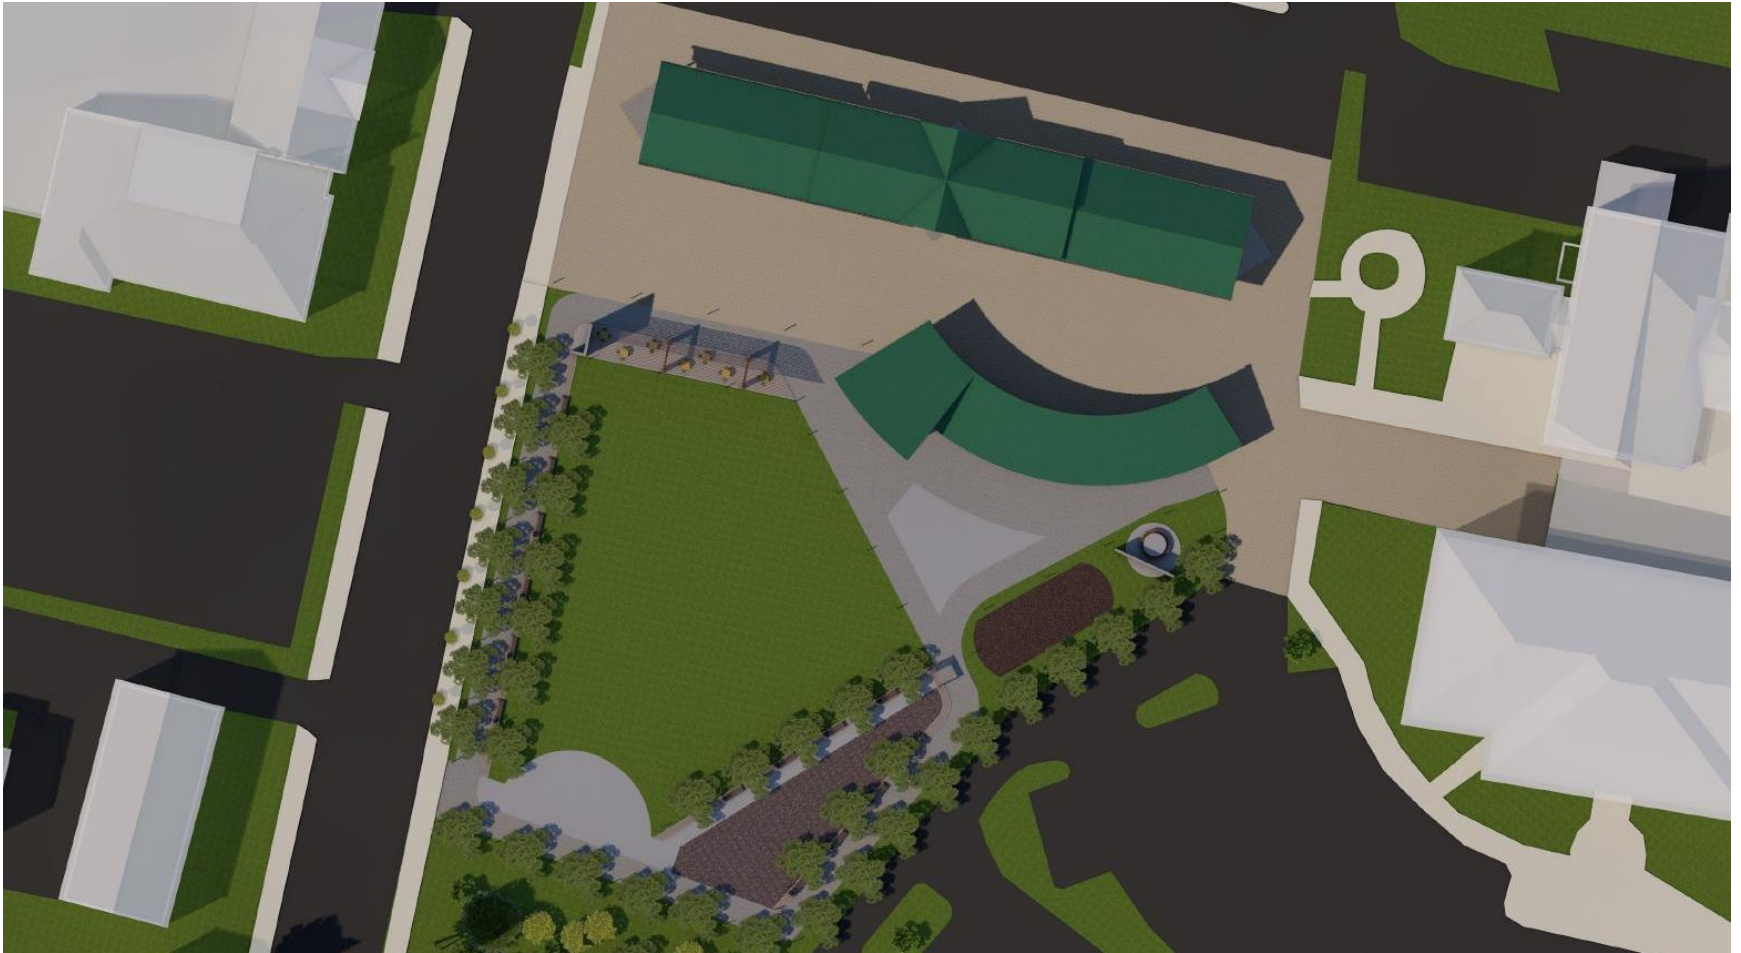

Build Our Park is a community-led nonprofit organization committed to facilitating the creation of a privately-funded park for our community in downtown Harrisonburg, Virginia.

Project Updates

- Advised of Refined Footprint by City Staff
- Revised Conceptual Designs by HDR Design Committee
- Identified a Clear Path Forward Using PPEA

Defining a Footprint for the Park

Developing Conceptual Plans

Project Phasing, Timeline Possibilities, Funding and Community Support

Phase 1

Spring/Summer 2018 – Spring 2019

Focus: Pavilion expansion and related general site work. USDA matching grant secured and ready for 2018 groundbreaking.

Phase 2

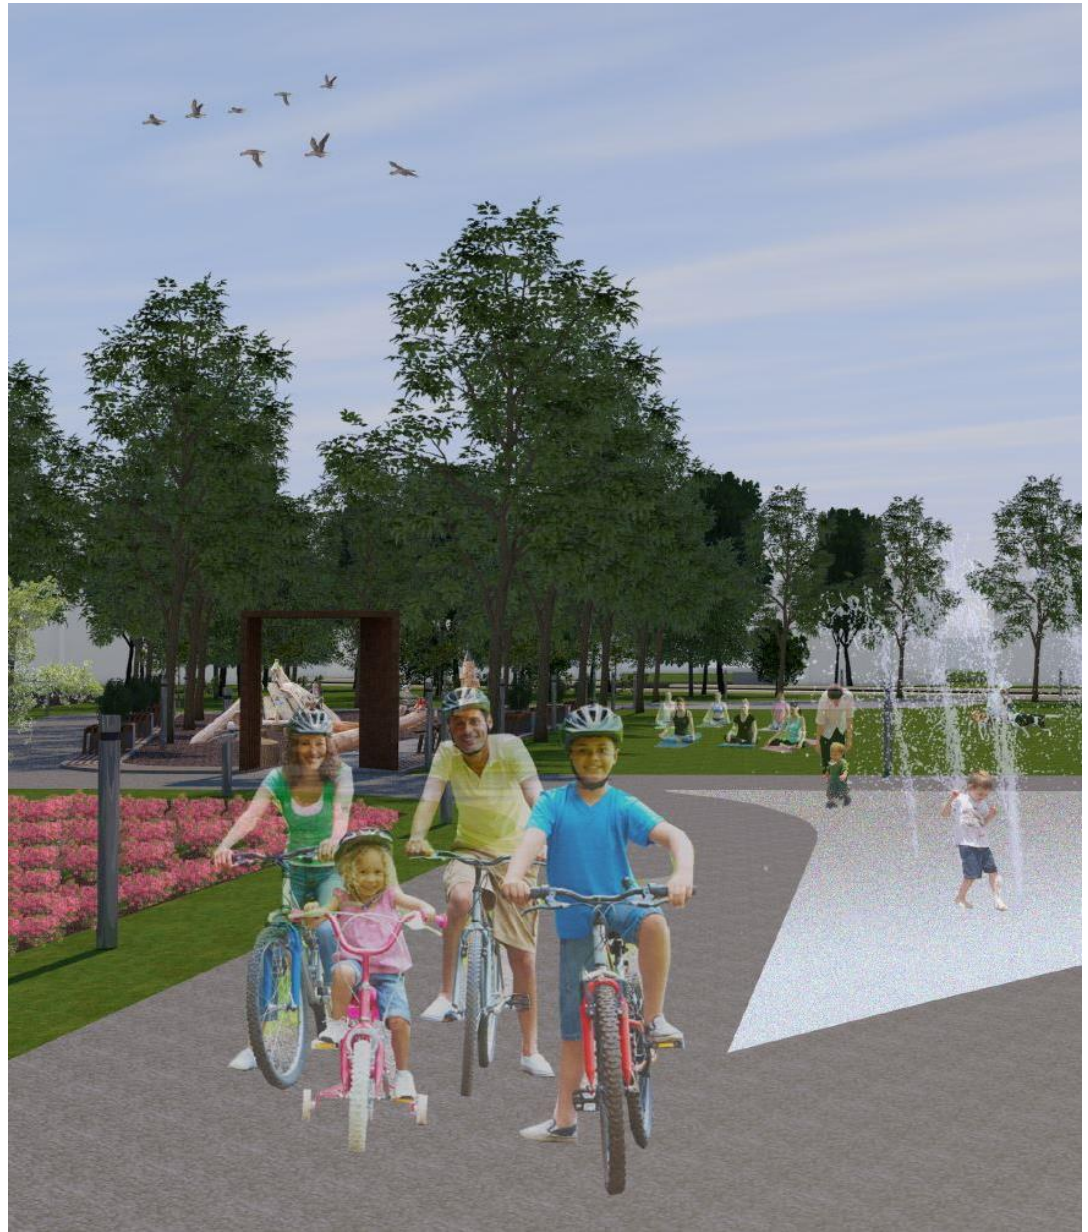

As Soon as Winter/Early Spring 2019

Focus: Grading, utilities, infrastructure, plantings, walkways.

Phase 3

Focus: Amenities, water feature, playground.

Project could be completed as soon as summer 2020.

A Path Forward

- Public-Private Education Facilities and Infrastructure Act of 2002 (PPEA) submission
- Process can define structure for Build Our Park and the City of Harrisonburg to work in partnership to develop the downtown park
- Supports innovation in funding and construction projects

Thank You to City Council PPEA Submission Approval

A Walk Through Our Park

Adam Steiniger

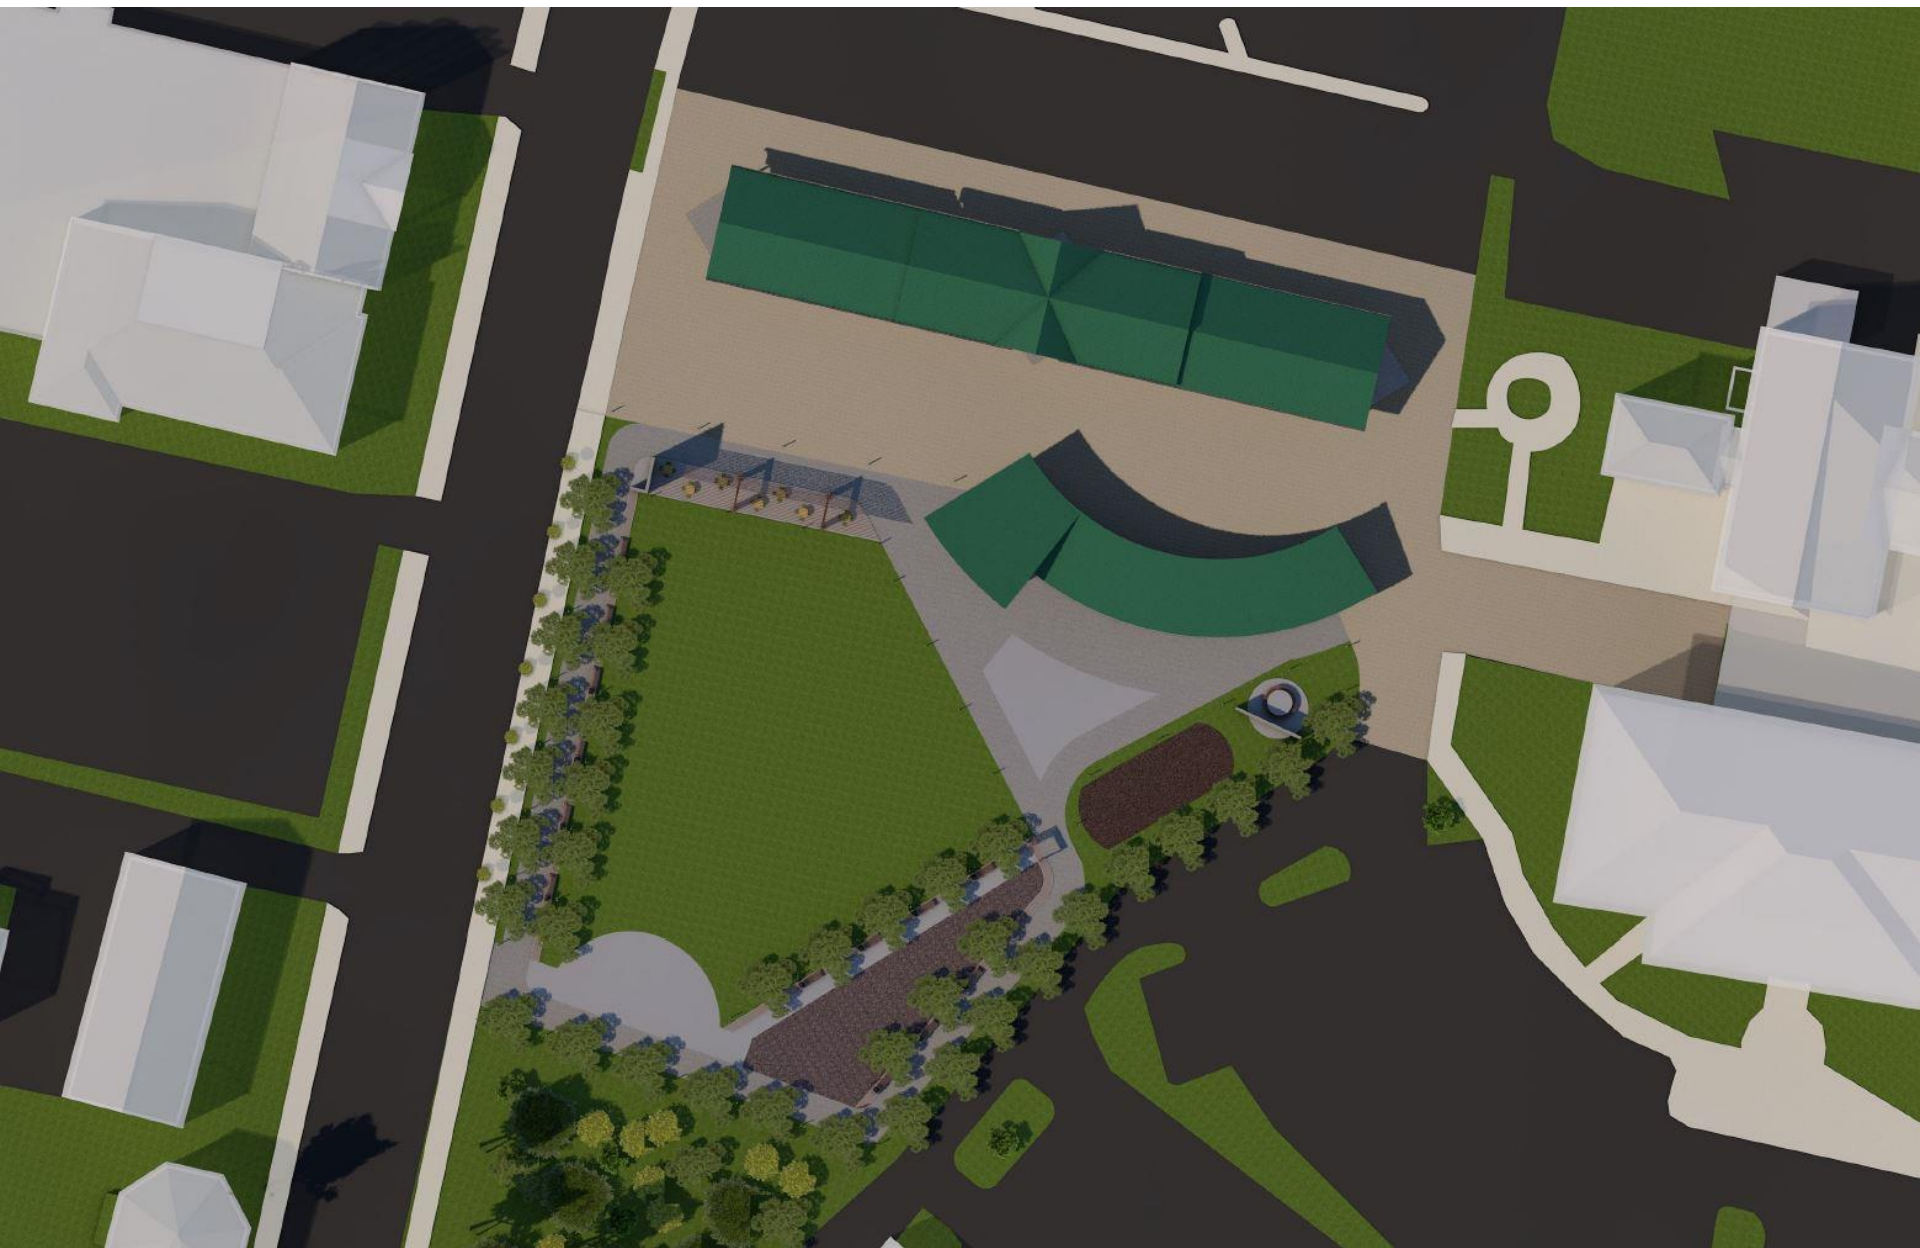

Architect and Volunteer

Harrisonburg Downtown Renaissance Design Committee

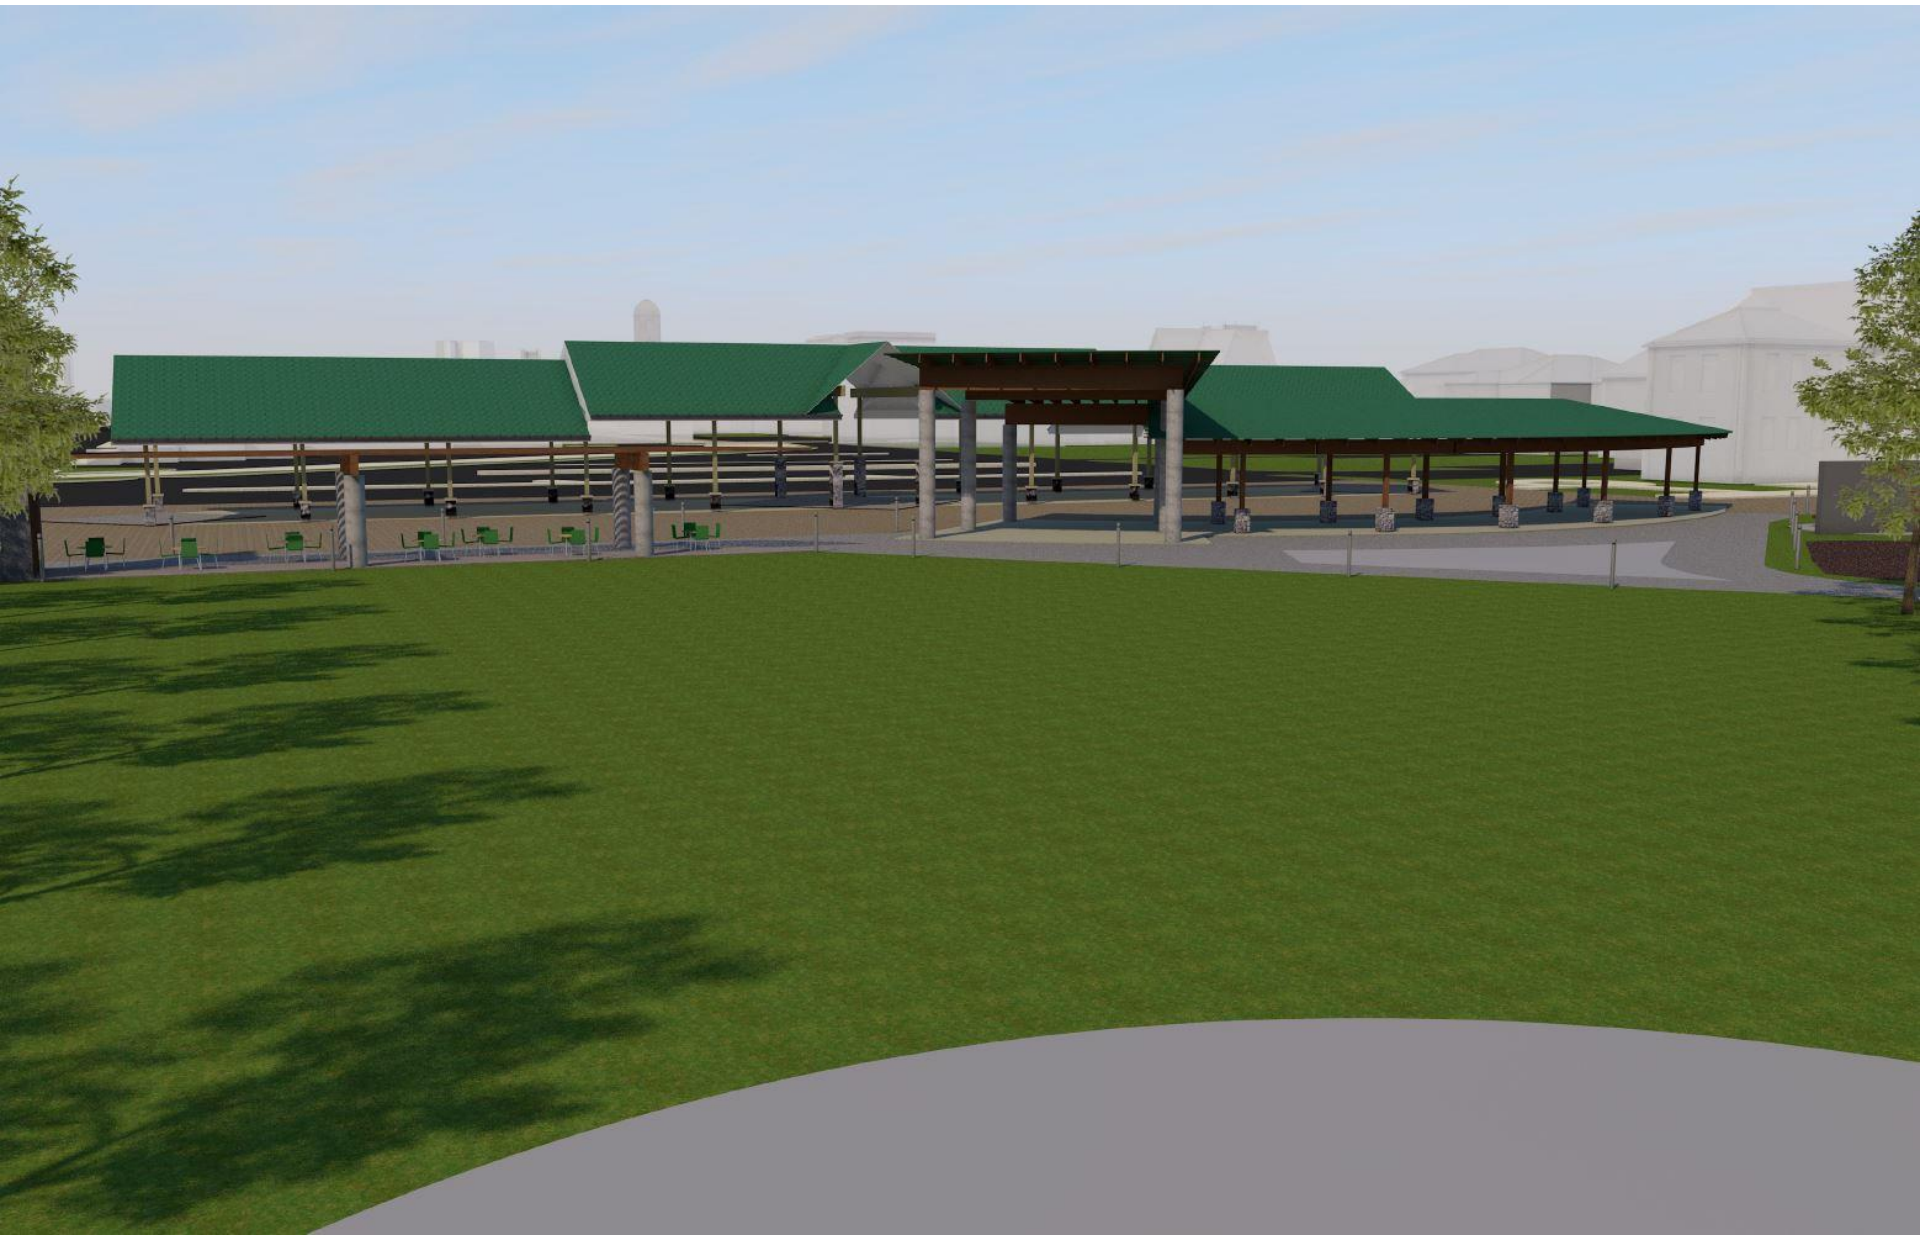

Elements of the Design
