- Q&A

Who We Are

HRMPO is the regional transportation planning body for the City of Harrisonburg, the urbanized portion of Rockingham County, and the Towns of Bridgewater, Dayton, and Mt. Crawford.

Who We Are

- Our Policy Board is comprised of elected officials and administrators from our member jurisdictions, as well as transportation agency representatives.
- Our Technical Advisory Committee (TAC) is comprised of City, County, Town, and agency staff with expertise in planning, engineering and related fields.
- The Central Shenandoah Planning District Commission staffs HRMPO.

Long Range Transportation Plan (LRTP)

The LRTP creates an effective framework for mobility and development with a set of priority transportation investments to address the area's current and long-term needs. The Plan is updated every five years.
