RE: Public Hearing for CDBG 2020 Action Plan Amendment

**Summary:**

\$136,000 of CDBG-CV funding that was allocated to the Salvation Army CARES Act project will be reallocated to the NEW Mercy House Eviction Prevention project.

**Background:**

After discussions with the Salvation Army, they agree that this funding will be more efficiently spent in a similar project administered through the Mercy House, due to their previous experience with a rental assistance program. The Salvation Army voluntarily chose to relinquish these funds after considering the need to spend this grant in a timely manner.
