SUP – Reduction in Required Side and/or Rear Yard Setbacks

- If a B-2 property abuts a residential district, the setback is 30 feet, plus 1 foot for every foot the building is over 35 feet.
- The 2023 rezoning and SUP relied on acquiring land from the neighboring properties for the needed setback.
- January 2024, Zoning Ordinance was amended to allow for the reduction in side and rear yard setbacks by SUP
- Current request is to reduce the side and rear yard setbacks from the required 52.03 feet to 44 feet.

SUP – Reduction in Required Side and/or Rear Yard Setbacks

Recommended Condition:

The special use permit shall be applicable only to the planned building in the location shown on the Development Plan and no closer than 44 feet from the property lines adjacent to tax map parcels 12-L-14 (Forest Hills Townhomes) and 92-A-2 (Forest Hills Manor).

Recommendation

Staff and Planning Commission (6-1) recommends:

- Approval of the rezoning request.
- Approval of the SUP to allow multi-family/mixed use with the recommended condition.
- Approval of the SUP to reduce side/rear yard setbacks with the recommended condition.

Recommended SUP Conditions

SUP to allow multi-family/mixed use:

- The number of dwelling units shall be limited to 119 with no more than 440 bedrooms.

SUP to allow reduced side/rear yard setbacks:

- The special use permit shall be applicable only to the planned building in the location shown on the Development Plan and no closer than 44 feet from the property lines adjacent to tax map parcels 12-L-14 (Forest Hills Townhomes) and 92-A-2 (Forest Hills Manor).
