TO THE MEMBERS OF CITY COUNCIL
CITY OF HARRISONBURG, VIRGINIA

SUBJECT: Consider review of the Planning Commission's 2018 Annual Report.

EXTRACT FROM MINUTES OF HARRISONBURG PLANNING COMMISSION MEETING
HELD ON: March 13, 2019

Chair Way said that we have a re-review of the Harrisonburg Planning Commission 2018 Annual Report. Some revisions have been made.

Ms. Dang said that this was presented to you last time we met. We are presenting it again for your approval to bring it to City Council. Mr. Fletcher had recognized that as he was reviewing this report that we had missed on page 6, the special use permits that were associated with the Lucy Drive rezoning that was heard last year. We caught the rezoning and forgot the special use permits. We wanted to amend this and have a complete package before presenting it to City Council. If you would make a motion to approve it and send it to City Council, we would appreciate that.

Commissioner Colman moved to recommend approval of the amended Planning Commission 2018 Annual Report.

Commissioner Whitten seconded the motion.

All members voted in favor of approving the Planning Commission 2018 Annual Report, as amended (7-0).

Chair Way said the Annual Report will move forward to City Council on April 9, 2019.

Respectfully Submitted,

Alison Banks
