

**STATE OF VIRGINIA
CITY OF HARRISONBURG, to wit:**

I, Erica Kann, certify that the Harrisonburg City Council will hold a Public Hearing on Tuesday, January 12, 2016, at 7:00 p.m., or as soon as the agenda permits, in City Council Chambers 409 South Main Street, to consider the following:

Comprehensive Plan Amendment – Spotswood Country Club 8 Acres (Land Use Guide Change: Conservation, Recreation, and Open Space to Commercial)

Public hearing to consider a request from Spotswood Country Club Inc. with club representatives Aki Heydarian and Ben Amoss and application representative Dick Blackwell to amend the Comprehensive Plan by modifying the Land Use Guide map within Chapter 5 Land Use & Development Quality. The proposal is to amend the Land Use Guide designation for 8 acres of land along Country Club Road and East Market Street from the Conservation, Recreation, and Open Space designation to the Commercial designation. The Comprehensive Plan describes the Conservation, Recreation and Open Space designation as including the City's parks and golf course, as well as private open space recreation uses, such as country clubs. The Commercial designation is described as areas included for retail, office, wholesale, or service functions. These areas are generally found along the City's major travel corridors and in the Central Business District of the City. The subject site includes a 7.25 +/- acre portion of tax map parcel 73-B-1 and the entirety of tax map parcel 73-B-3 (0.75 +/- acres). The property is addressed at 1980 Country Club Road, where the two identified parcels together contain 78.93 +/- acres.

Rezoning – Spotswood Country Club 8 Acres (R-1 to B-2C)

Public hearing to consider a request from Spotswood Country Club Inc. with club representatives Aki Heydarian and Ben Amoss and application representative Dick Blackwell to rezone a total of 8 acres from R-1, Single Family Residential District to B-2C, General Business District Conditional. The subject site includes a 7.25 +/- acre portion of tax map parcel 73-B-1 and the entirety of tax map parcel 73-B-3 (0.75 +/- acres). The property is addressed at 1980 Country Club Road, where the two identified parcels together contain 78.93 +/- acres. The Comprehensive Plan designates this area as Conservation, Recreation and Open Space. This designation includes the City's parks and golf course, as well as private open space recreation uses, such as country clubs. The Zoning Ordinance states that the R-1, Single-Family Residential District is intended for low-density, relatively spacious single-family residential development. The residential density ranges from 1 to 4 units per acre, with a minimum lot size of 10,000 sq. ft. The B-2, General Business District is intended to provide sufficient space in appropriate locations for a wide variety of retail shopping, commercial, automotive, miscellaneous recreational, and service activities. No minimum lot size restrictions exist in the B-2, General Business District.

Zoning Ordinance Amendment – Section 10-3-57.5 (b) Maximum Density in R-7

Public hearing to consider a request from Dean Weaver to amend the Zoning Ordinance Section 10-3-57.5 Area, density and dimensional regulations of the R-7, Medium Density Mixed Residential Planned Community District. The amendment would modify subsection (b) by increasing the maximum density allowed in the R-7 district from 12 dwelling units per acre to 15 dwelling units per acre. The Zoning Ordinance states that the R-7, Medium Density Mixed Residential Planned Community District is intended to permit the development of planned residential communities offering a mix of single family detached and attached dwellings and open spaces. Innovative residential building types and creative subdivision design solutions are encouraged to promote neighborhood cohesiveness, walkability, connected transportation systems, community green spaces and protection of environmental resources. Communities shall be developed, redeveloped, and

amended in accordance with a master development plan. The minimum district size is two acres and the current maximum density is 12 dwelling units per acre.

To view copies of the case documents, contact the Community Development Department, 409 South Main Street, Monday through Friday, 8:00am to 5:00pm.

All persons interested will have an opportunity to express their views at this public hearing.

Any individual requiring auxiliary aids, including signers, in connection with the public hearing shall notify the City Manager at least five (5) days prior to the date of the meeting.
