Why do you wish to serve on a board or commission?

Giving back to the community. I feel my experience may be helpful to the Planning Commission and its duties. I was born in Harrisonburg and I truly care for the town and the people here.

What relevant experience or education do you have to this board or commission?

Over the past 15 years of my career I have held positions such and VP of a mortgage company, Realtor and small business owner. I have knowledge and experience in residential lending, real estate, and residential development/real estate investing.

- Held position as a Mortgage Banker from 2005-2011
- Small business owner from Real Estate Investment 2006-present
- Virginia Real Estate Agent/Realtor 2015-present

What other interests or concerns do you have regarding the community?

Our little city is growing very fast and this faces us with problems such as a lack of affordable housing, our growing homeless population, traffic congestion, crime and many others. I am interested in joining the conversation to hopefully help Harrisoburg grow in a responsible way and continue to be safe, eclectic and beautiful place for individuals and families to thrive.

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:
