RE: 2016 Service Learning Program

Summary: The Service Learning project teams will be presenting on the culmination of their work with city departments. In 2016 Harrisonburg High School students worked on projects involving Public Transportation, Public Information, Fire, Human Resources and Parks and Recreation.

Background: The annual Service Learning Program and partnership with Harrisonburg High School was created to provide an understanding of local government concepts, social responsibility and civic awareness through a mentorship with local government personnel in the City of Harrisonburg. This program will assist students in building necessary skills to ensure preparedness for postgraduate life.

Key Issues: The presentations will showcase their work over the past semester on projects identified and prioritized by city staff.
