Property Owner

Section 5: Required Attachments to be provided by Applicant

- Site or Property Map
- Letter explaining Proposed Use & Reasons for Seeking a Special Use Permit
- Traffic Impact Analysis (TIA) Determination Form OR Traffic Impact Analysis (TIA) Acceptance Letter signed by Public Works Department - Applicant is responsible for coordinating with Public Works Department prior to submitting SUP application. More information at www.harrisonburgva.gov/traffic-impact-analysis. This requirement is waived for the following SUPs: major family day homes, reducing required parking areas, reduction in required side yard setback, wireless telecommunication facilities, walls and fences, and short term rentals. To prevent delays in reviewing your application, please consult with Planning staff to confirm your application does not require a TIA Determination Form or TIA Acceptance Letter.

NOTE: If applying for a Wireless Telecommunications Facility allowed only by SUP, then also submit a wireless telecommunication facility application.

The Norton Group LLC
860 Canterbury Court
Harrisonburg, VA 22801

November 8, 2019

City of Harrisonburg Planning Commission
409 S. Main St.
Harrisonburg, Va. 22801

To Whom It May Concern:

The Norton Group LLC purchased these properties in two sales this past year. We are looking to have the following properties rezoned from M-1 to B-2. For the past 20 years, two properties, 1061 Suite A and 1059, have been used by businesses as retail spaces non-conforming as M-1. The B-2 zoning for the use of these properties is in line with the city of Harrisonburg's comprehensive plan.

1043 S. High St:

Suite A: Approximately 1800 SF. Green Solutions LLC occupies the space. They clean carpets at this site. Rezoning to B-2 would allow them to have a retail store in the front of this space to sell rugs and furniture. Their hours of operation are 9am-5pm Mon.-Fri. and they have no scheduled truck deliveries.

Suite B: Approximately 4600 SF. GoPuff LLC desires to occupy this space in the spring of 2020. GoPuff is a digital convenience delivery service where customers order items online to have the items delivered. Customers would not be coming to this location. We are applying for a special use permit, section 10-3-91 (2) to allow warehousing of their goods in B-2. Their hours of operation are twenty four hours a day, seven days a week. They will have 10-12 tractor trailer deliveries per week 6am-6pm.

1045 S High St:

Suite A: Approximately 12,500 SF. Electrical Supply Company occupies the space. They sell electrical supplies for wholesale and retail. Their hours of operation are 7am-5pm Mon.-Fri. They have UPS and Fedex deliveries once per day, flat-bed truck and van

deliveries three times a week on Mon., Wed., and Fridays and have tractor trailer deliveries two to three times per week.

Suite B: Approximately 7500 SF. Star Heating and Cooling LLC occupies the space. They install and repair HVAC units and ductwork. Their hours of operation are 7:30am-4pm Mon.-Fri. Every day they have a UPS delivery in the afternoon and one or two tractor trailer deliveries also in the afternoon. They also have a uniform-cleaning truck that comes once a week in the morning and a Pepsi truck that comes once a month.

1059 High St. is an approximately 1800 SF building occupied by Brothers Pizza. They are a restaurant offering food on-site and for delivery. Their hours of operation are 11am-10pm Sun.-Thurs. and 11am-11pm on Fri. and Sat. They have two truck deliveries every Mon. and Wed. morning and one morning delivery every Fri.

1061 S High St:

Suite A: Approximately 8000 SF occupied by BBB Market. They are a grocery store. Their hours of operation are 9am-9pm seven days a week. They have one truck delivery every two weeks.

Suite B: Approximately 4000 SF unit to be occupied by Staff of Life on Jan. 1, 2020. They are a bakery that sells goods to farmers markets and restaurants. We are applying for a special use permit, section 10-3-91 (1) for manufacturing, processing, and assembly operations to allow them to operate their bakery. The largest number of employees that will be working on any given shift is three. Their hours of operation are 4am-5pm. They have one truck delivery every week.

Suite C: Approximately 4000 SF is currently unleased.

1063 S High St is an approximately 1500 SF building occupied by Harrisonburg Plumbing Supply. They sell plumbing supplies for wholesale and retail. Their hours of operation are 8am-5pm Mon.-Fri. and 9am-12:30pm on Sat. They have a UPS and Fedex delivery once a day.

Thank you for your consideration.
