

Proposed Stormwater Utility Fee

City Council Meeting
November 11, 2014

Stormwater Utility will fund

- Stormwater Improvement Plan
- Design and construction of capital projects to meet Chesapeake Bay TMDL requirements
- Pollution reduction efforts
- Maintenance of city-owned stormwater facilities
- Utility Administration

Proposed Stormwater Utility Fee

- **\$10.50** per year for every 500 square feet of impervious area
- *Impervious area:* Roofs, driveways, parking lots, streets, and other hard surfaces
- Projected increase to \$14.50 per year beginning FY18/19 due to increase pollutant reduction requirements

Next Steps

- **Public Input Meetings**
 - **November 12, 5:30-7:30pm @ Thomas Harrison MS**
 - **December 2, 5:30-7:30pm @ Spotswood ES**
- Early 2015 – City Council to consider Stormwater Utility Ordinance and Fee Structure
- July 1, 2015 – Proposed effective date of Stormwater Utility
