Why do you wish to serve on a board or commission?
I have a 10/1 rule for every 10 hours I work I volunteer 1 hour, currently I volunteer at Valley Voice reading the news on the radio. I also went through the Harrisonburg citizens academy with Mary Hope Vass and the Police citizens academy (twice). So I recognize how important it is for the citizens of Harrisonburg to be involved with the way their city operates and looks....and I like trees :o)

What relevant experience or education do you have to this board or commission?
I do not have a lot of experience for this particular board but I am willing to put in the hours and the hard work to learn what is needed!

What other interests or concerns do you have regarding the community?

I guess I am curious how all the boards work in that do they all operate independently or is their one central governing body over all the boards, and they meet together.

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

I went through the Harrisonburg citizens academy (with Mary Hope Vass) and the Police citizens academy...(twice, with Officer Mike Gangloff). I'm also a reader with the Valley Voice Reading Service based out of the WRMA studios where every Friday I am the voice of The Daily Progress Newspaper. of which I believe only my mother listens!

-Please return completed application to the City Manager's Office-

Applicants are encouraged to attach a resume or other supporting information that may be helpful to Council in considering their application.
