### Why do you wish to serve on a board or commission?

I believe that citizens have an obligation to contribute to the well being and quality of life in our community and we should not rely only on elected officials and city staff to attend to these concerns.

### What relevant experience or education do you have to this board or commission?

For the last five years, I have been employed as a building contractor. I have experience in all aspects of construction.

**What other interests or concerns do you have regarding the community?**

I am concerned about the environmental impact and sustainability of both existing and future buildings in our city.

**Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:**

Most of my past involvement has been related to community-based organizations such as the carpenter's guild, Fairfield Center, Renew Rocktown, and Gift and Thrift Store.
