Recommendation

Staff recommends approval of the rezoning and two special use permits with conditions.

- For the SUP to allow for multifamily/mixed use:
The condition to follow the “Owner/Developer Self Imposed Conditions.”
- For the SUP to allow for the reduction in required side/rear yard setbacks:
The SUP shall be applicable only to the existing building and planned building addition in the location shown on the Development Plan with the ability to deviate up to 10-feet in any direction.
