RE: Unsolicited PPEA Proposal - Northend Greenway Shared Use Path and Black's Run Stream Restoration for Nutrient and Sediment Removal

Dear Mr. Hodgen,

Momentum Earthworks, LLC (Momentum) and Ecosystem Services, LLC (Ecosystem Services), are pleased to submit our combined credentials, technical approach and pricing for the above referenced project. We are confident that our team's approach provides the least risk, most expeditious solution and best value to meet the City's Comprehensive Plan strategies and goals by protecting open spaces and natural resources promoting a healthy lifestyle, linking communities, neighborhoods, schools and parks, and improving the economy by making the surrounding community a more attractive place to live and visit.

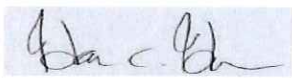

As you review our qualifications, please note that Momentum and Ecosystem Services, are both known for their esteemed reputation in civil construction, construction management and engineering, and are well prepared to take on this assignment.

In accordance with the PPEA Guidelines, we respectfully request that Volume II of this proposal which contains detailed project descriptions, cost and schedule estimates, corporate financial statements and other proprietary information, remain proprietary and confidential.

We thank you for the opportunity to submit our proposal and qualifications. Should you have any questions or need additional information, please do not hesitate to contact me at 540-746-8826 or 540-564-1986.

Sincerely,

Mr. Hans Harman

Design-Build Principle/President
