Why do you wish to serve on a board or commission?

I am very interested in helping develop rules and regulations for the towing companies of the City of Harrisonburg.

What relevant experience or education do you have to this board or commission?

Father founded Layman's Auto & Towing in 1965. He owned and operated one of the first towing companies in the City of Harrisonburg. I started working for Layman's at the age of 14 and am still employed at Layman's. When I became old enough to drive I started operating a tow truck. As the years have past I have encountered many different situations involving the towing and auto repair industry.

What other interests or concerns do you have regarding the community?

Have always been interested in the growth of the City of Harrisonburg and JMU.

Please list any past or present community involvement e.g. City Council, Board and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:
