Additional comments:

I am interested in remaining on the TSAC, but will understand if you want to replace me. What I bring to the commission is experience, dedication, and problem-solving abilities. Aside from my years on the TSAC, I am the last of the original members of the Bicycle/Ped Subcommittee (A am leaving at the end of the year) and I have been on every Bike/Bed Plan Committee except the first Harrisonburg/Rockingham Bicycle Plan of the early 90s. My dedication is evident in my solid attendance rate at the committees I have been on. I am pretty good at problem-solving and ask good questions.

Anyway, thanks for considering my reappointment.
