Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

Harrisonburg has unexpectedly become my home this last year and I love it. It's a really lovely city and I'd like to do my part to keep it that way.

What other interests or concerns do you have regarding the community?

My interests and concerns are making sure everyone is safe, happy, and healthy.

What relevant experience or education do you have to this board or commission?

I have a lot of retail and hospitality experience as well as owning and running a small business which puts me in touch with various groups of people from all walks of life. These have been great influences upon me, as well as my international travels. I believe I have something to offer and I believe I could learn a lot from local community leaders, as well. I'd really love the opportunity to do good for this city.

Please list any past or present community involvement e.g. City Council, Boards and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

My community involvement in the past had been PRA, room mom, book fair, etc. I'm new here, so my involvement has been limited I Harrisonburg and I'm making moves to change that. Like this right here. Thanks! <3
