### Why do you wish to serve on a board or commission?

I am interested in representing EMU on the Storm Water Advisory Committee out of concern for our watershed, to stay informed about storm water policy, and as a way to help connect with and strengthen our community.

### What relevant experience or education do you have to this board or commission?

2003 B.S. Eastern Mennonite University

My work in Facilities Management brings me in close contact with storm water management issues on campus. I would like to learn more about current strategies that we could use to help reduce watershed pollution.

**What other interests or concerns do you have regarding the community?**

I am hopeful that Harrisonburg can continue to develop as a resilient community while working to improve opportunities and care for those on the margins in ways that protect and rebuild health for all parts of our community—people, animals, air, soil, and water.
