Interests & Experiences

Michael Boland

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I was asked by a retiring board member to consider serving on this board. She told me I would be a good fit for the position.

What other interests or concerns do you have regarding the community?

Harrisonburg has been our home for over 50 years. It is a wonderful place to call home, due in large part to the people who live and work here, and contribute their time and energy for the betterment of us all. I am inspired by their contributions to the community and would like to offer some of my own time and energy to that same effort.

What relevant experience or education do you have to this board or commission?

I was a Class-A Residential Building Contractor in this community for 38 years and was a licensed VA Real Estate Agent for many of those years as well.

Please list any past or present community involvement e.g. City Council, Boards and Commissions, Citizen Academy, etc. in Harrisonburg or elsewhere:

Volunteer in disaster relief efforts, past parish council member and religious education teacher at our church, volunteer in past Habitat for Humanity home construction.
