April 9, 2024

The Honorable Mayor and Members of City Council:

Pursuant to Section 60 of the City Charter, I am pleased to present the City Manager's proposed budget for fiscal year 2024-2025. The recommended FY 2024-2025 spending plan offers investment in some of the City's top priorities – most importantly, the retention and recruitment of excellent City employees to provide our community high-quality services, per our Harrisonburg 2043 Vision Plan.

This proposed budget provides for general government administration, community safety, public education, public transportation services for both school and transit, infrastructure investments, and fulfills financial agreements with community partners. A key challenge in any financial plan is to prioritize numerous needs with finite resources without compromising service delivery. We faced this challenge in the development of the proposed 2024-2025 City Manager's budget.

I believe this budget we now present to you not only meets that challenge but exceeds it.

The FY 2024-2025 operating budget totals \$404.6 million, an 11.8 percent increase from the adopted FY 2023-2024 budget. The General Fund is the primary fund for most general government operations. The proposed General Fund budget for FY 2024-2025 is \$173.1 million, which is an overall increase of 10 percent compared to the FY 2023-2024 adopted General Fund budget.

The City Manager's proposed budget recommends a \$0.08 (eight cent) increase in the real estate tax rate from \$0.96 per \$100 valuation to \$1.04 per \$100 valuation. Additionally, as in prior years, the City has thoughtfully used fund balance in the budget to offset the costs of ongoing capital improvements and one-time expenditures. The proposed budget also includes an increase in utility fees as we continue to address once-in-a-century capital expenses to replace and upgrade our water and sewer systems.

Compensation and Benefits

In the FY24 budget the City completed and implemented the classification and compensation study. This study highlighted the need to additionally review our benefits offerings to ensure competitive total rewards for our employees. The Executive Leadership Team and our Human Resources staff recently completed and are currently reviewing the findings from a robust employee benefits review. The process included a combination of focus groups, individual meetings and surveys to solicit input from our employees on their perspectives of the City's existing benefits and their life pressures. This process received input from over 600 of our employees.

During the benefit review, employees highlighted health insurance coverage, and particularly the employer paid portion of the health insurance premium, as a key area in need of improvement. The 2023 classification and compensation study also identified that the City was lagging some comparable localities and the private sector in the employer paid portion of the health insurance premium. My proposed budget includes an increase from 75% to 78% to the City's employer paid portion of the health

insurance premium. This change also absorbs the expected 4% increase in health care costs the City was facing for 2025.

My proposed budget additionally includes a 3% increase in compensation for employees. This continues our efforts to enhance employee compensation to remain competitive and respond to cost of living increases.

I pledge to our employees that this is but one step in implementing changes to our existing portfolio of total rewards. The Executive Leadership Team and I will continue to work through an analysis of the data from our benefits study over the coming months and will work to bring additional changes, additions and expansion of those benefits as soon as possible.

School Funding

The City School Board’s adopted FY25 budget requests a \$6.6 million increase in local funding over the FY24 Adopted Budget. This budget proposes a real estate tax increase of 8 cents to fund the request from the City Schools. The \$6.6 million increase includes \$4.2 million in funding for the opening and operations of Rocktown High School.

Funding for education, including debt service, equates to the largest percentage of our annual budget, with education funding representing approximately 36.2 percent of this year’s proposed spending plan.

Infrastructure Investment

This proposed budget recommends \$39.7 million in capital investments, with \$28.8 million representing general capital projects. For the second fiscal year, I am proposing the allocation of funds to begin the renovation of the historic Municipal Building. This project has been postponed since 2016 due to other priorities in our community. However, this project needs to be at the forefront due to increased community demand on our City services and therefore the need for additional City staff to provide those services for our growing community. This renovation will ensure that the hub of our local government services remains in our beautiful, historic downtown and on Main Street for decades to come.

Additionally, we are eager to move forward on a number of other projects – these include, but are not limited to, vital improvements to our water and sewer infrastructure that in some cases date back to the late 1800s, pedestrian road improvements as we continue our focus on making Harrisonburg more bikeable and walkable, and the replacement of vehicles critical to our mission of providing high-quality City services.

This proposed budget also includes important programs identified within the City Council 2043 Vision. This includes, but is not limited to, the development of an Economic Development Strategic Plan, a Fee Waiver Pilot program to address affordable housing, continued investments in sustainability and resiliency, and funding for a childcare and early learning needs assessment.

In accordance with Section 15.2-2506 of the Code of Virginia, a public hearing is required to be held at least seven days prior to the final adoption of the budget. As such, it is suggested the public hearing for the budget be held on April 23, 2024, and that the final adoption occur on May 28, 2024.

Additionally, a public hearing will be held on the real estate tax rate on May 28, 2024.

The City Charter requires the budget be adopted by May 31 of each year.

I would like to acknowledge and thank the City's Executive Leadership Team and Finance staff for meeting the challenges posed by this year's budget. I would like to share my personal gratitude for the evaluation, analysis and hard work of Director of Finance, Larry Propst, Deputy City Manager, Amy Snider and Director of Communications, Mike Parks. I look forward to working with each City Council Member in the coming weeks to converse on the proposed budget and its impact on the community.

Respectfully,

Ande Banks
City Manager

PUBLIC TRANSPORTATION FUND

The Public Transportation Fund budget has increased \$4.3 million (44.7%) from the current adopted fiscal year 2024 budget. This increase is mainly from an increase in capital outlay. The payment from James Madison University for transit bus services is projected to increase \$300,000 while Federal and State revenue will increase \$3.8 million which is reflective of the increased capital outlay purchases and a microtransit services pilot program. Fund balance in the amount of \$146,000 is being used to fund the City's share of capital outlay.

The proposed budget reflects two new full-time Transit Bus Driver positions, two new full-time Paratransit Driver positions, a new Dispatcher position and increasing bus maintenance costs. The transfer to the General Fund for overhead costs will remain at \$160,000.

Capital outlay includes \$2.9 million for five transit buses, \$391,680 for three paratransit buses, \$184,860 for replacement support vehicles and \$123,790 for other capital outlay which are all 96 percent reimbursed by federal and state funds.
